Lesson Planning

Complete Lesson Plan Book

Class: Class 12 – ICS

Subject: Islamiat

Medium: English

Academic Year 2026-27

DM

This book is prepared as a teaching guide for teachers.

Table of Contents

Unit 1: Quran: Selected Surahs

Unit 2: Selected Ahadith

Unit 3: Khulafa-e-Rashideen

Unit 4: Islamic Civilization and Culture

Unit 5: Women in Islam

Unit 6: Human Rights in Islam

Unit 7: Tolerance and Peace

Unit 8: Islam and Science

Unit 9: Contemporary Issues

Unit 10: Islamic Moral Values

DM

Unit 1: Quran: Selected Surahs

Learning Objectives

• Define and explain translation in the context of Quran: Selected Surahs.
• Differentiate between explanation and themes with suitable examples.
• Solve conceptual problems related to lessons accurately.
• Apply the ideas of Quran: Selected Surahs to everyday situations involving memorization.

Key Concepts

• Meaning, definition and scope of translation.
• Important properties, types and examples of explanation.
• Relationship between themes and lessons.
• Practical applications of Quran: Selected Surahs, especially memorization.
• Key terms and a summary of the main points of Quran: Selected Surahs.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Quran: Selected Surahs with a daily-life example.
2. Explain translation on the board with definitions and clear diagrams.
3. Discuss explanation and themes using simple, relatable examples.
4. Involve the students through short questions on lessons.
5. Solve an exercise question on memorization together with the class.
6. Summarize the lesson and highlight the key points of Quran: Selected Surahs.

Classroom Activities

• Group discussion: students compare explanation with themes.
• Board activity: solve a question on lessons in pairs.
• Quick quiz on the key terms of Quran: Selected Surahs.

Assessment Questions

1. Define translation.
2. Differentiate between explanation and themes.
3. Explain with an example: lessons.
4. Write a short note on memorization.

Homework

• Read Quran: Selected Surahs from the book and solve the exercise questions.
• Prepare short notes on translation and explanation.

Time Allocation

4–6 periods of 40 minutes each

Unit 2: Selected Ahadith

Learning Objectives

• Define and explain text in the context of Selected Ahadith.

• Differentiate between translation and commentary with suitable examples.

• Solve conceptual problems related to practical lessons accurately.

• Apply the ideas of Selected Ahadith to everyday situations involving authenticity.

Key Concepts

• Meaning, definition and scope of text.

• Important properties, types and examples of translation.

• Relationship between commentary and practical lessons.

• Practical applications of Selected Ahadith, especially authenticity.

• Key terms and a summary of the main points of Selected Ahadith.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Selected Ahadith with a daily-life example.
2. Explain text on the board with definitions and clear diagrams.
3. Discuss translation and commentary using simple, relatable examples.
4. Involve the students through short questions on practical lessons.
5. Solve an exercise question on authenticity together with the class.
6. Summarize the lesson and highlight the key points of Selected Ahadith.

Classroom Activities

• Group discussion: students compare translation with commentary.

• Board activity: solve a question on practical lessons in pairs.

• Quick quiz on the key terms of Selected Ahadith.

Assessment Questions

1. Define text.
2. Differentiate between translation and commentary.
3. Explain with an example: practical lessons.
4. Write a short note on authenticity.

Homework

• Read Selected Ahadith from the book and solve the exercise questions.

• Prepare short notes on text and translation.

Time Allocation

4–6 periods of 40 minutes each

Unit 3: Khulafa-e-Rashideen

Learning Objectives

• Define and explain the first caliph in the context of Khulafa-e-Rashideen.
• Differentiate between the second caliph and the third caliph with suitable examples.
• Solve conceptual problems related to the fourth caliph accurately.
• Apply the ideas of Khulafa-e-Rashideen to everyday situations involving achievements.

Key Concepts

• Meaning, definition and scope of the first caliph.
• Important properties, types and examples of the second caliph.
• Relationship between the third caliph and the fourth caliph.
• Practical applications of Khulafa-e-Rashideen, especially achievements.
• Key terms and a summary of the main points of Khulafa-e-Rashideen.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Khulafa-e-Rashideen with a daily-life example.
2. Explain the first caliph on the board with definitions and clear diagrams.
3. Discuss the second caliph and the third caliph using simple, relatable examples.
4. Involve the students through short questions on the fourth caliph.
5. Solve an exercise question on achievements together with the class.
6. Summarize the lesson and highlight the key points of Khulafa-e-Rashideen.

Classroom Activities

• Group discussion: students compare the second caliph with the third caliph.
• Board activity: solve a question on the fourth caliph in pairs.
• Quick quiz on the key terms of Khulafa-e-Rashideen.

Assessment Questions

1. Define the first caliph.
2. Differentiate between the second caliph and the third caliph.
3. Explain with an example: the fourth caliph.
4. Write a short note on achievements.

Homework

• Read Khulafa-e-Rashideen from the book and solve the exercise questions.
• Prepare short notes on the first caliph and the second caliph.

Time Allocation

4–6 periods of 40 minutes each

Unit 4: Islamic Civilization and Culture

Learning Objectives

• Define and explain contributions to science in the context of Islamic Civilization and Culture.
• Differentiate between art and architecture and education with suitable examples.
• Solve conceptual problems related to literature accurately.
• Apply the ideas of Islamic Civilization and Culture to everyday situations involving values.

Key Concepts

• Meaning, definition and scope of contributions to science.
• Important properties, types and examples of art and architecture.
• Relationship between education and literature.
• Practical applications of Islamic Civilization and Culture, especially values.
• Key terms and a summary of the main points of Islamic Civilization and Culture.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Islamic Civilization and Culture with a daily-life example.
2. Explain contributions to science on the board with definitions and clear diagrams.
3. Discuss art and architecture and education using simple, relatable examples.
4. Involve the students through short questions on literature.
5. Solve an exercise question on values together with the class.
6. Summarize the lesson and highlight the key points of Islamic Civilization and Culture.

Classroom Activities

• Group discussion: students compare art and architecture with education.
• Board activity: solve a question on literature in pairs.
• Quick quiz on the key terms of Islamic Civilization and Culture.

Assessment Questions

1. Define contributions to science.
2. Differentiate between art and architecture and education.
3. Explain with an example: literature.
4. Write a short note on values.

Homework

• Read Islamic Civilization and Culture from the book and solve the exercise questions.
• Prepare short notes on contributions to science and art and architecture.

Time Allocation

4–6 periods of 40 minutes each

Unit 5: Women in Islam

Learning Objectives

• Define and explain status in the context of Women in Islam.
• Differentiate between rights and education with suitable examples.
• Solve conceptual problems related to inheritance accurately.
• Apply the ideas of Women in Islam to everyday situations involving examples.

Key Concepts

• Meaning, definition and scope of status.
• Important properties, types and examples of rights.
• Relationship between education and inheritance.
• Practical applications of Women in Islam, especially examples.
• Key terms and a summary of the main points of Women in Islam.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Women in Islam with a daily-life example.
2. Explain status on the board with definitions and clear diagrams.
3. Discuss rights and education using simple, relatable examples.
4. Involve the students through short questions on inheritance.
5. Solve an exercise question on examples together with the class.
6. Summarize the lesson and highlight the key points of Women in Islam.

Classroom Activities

• Group discussion: students compare rights with education.
• Board activity: solve a question on inheritance in pairs.
• Quick quiz on the key terms of Women in Islam.

Assessment Questions

1. Define status.
2. Differentiate between rights and education.
3. Explain with an example: inheritance.
4. Write a short note on examples.

Homework

• Read Women in Islam from the book and solve the exercise questions.
• Prepare short notes on status and rights.

Time Allocation

4–6 periods of 40 minutes each

Unit 6: Human Rights in Islam

Learning Objectives

• Define and explain equality in the context of Human Rights in Islam.
• Differentiate between justice and freedom with suitable examples.
• Solve conceptual problems related to dignity accurately.
• Apply the ideas of Human Rights in Islam to everyday situations involving farewell sermon.

Key Concepts

• Meaning, definition and scope of equality.
• Important properties, types and examples of justice.
• Relationship between freedom and dignity.
• Practical applications of Human Rights in Islam, especially farewell sermon.
• Key terms and a summary of the main points of Human Rights in Islam.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Human Rights in Islam with a daily-life example.
2. Explain equality on the board with definitions and clear diagrams.
3. Discuss justice and freedom using simple, relatable examples.
4. Involve the students through short questions on dignity.
5. Solve an exercise question on farewell sermon together with the class.
6. Summarize the lesson and highlight the key points of Human Rights in Islam.

Classroom Activities

• Group discussion: students compare justice with freedom.
• Board activity: solve a question on dignity in pairs.
• Quick quiz on the key terms of Human Rights in Islam.

Assessment Questions

1. Define equality.
2. Differentiate between justice and freedom.
3. Explain with an example: dignity.
4. Write a short note on farewell sermon.

Homework

• Read Human Rights in Islam from the book and solve the exercise questions.
• Prepare short notes on equality and justice.

Time Allocation

4–6 periods of 40 minutes each

Unit 7: Tolerance and Peace

Learning Objectives

• Define and explain religious tolerance in the context of Tolerance and Peace.
• Differentiate between peaceful coexistence and dialogue with suitable examples.
• Solve conceptual problems related to examples from Seerah accurately.
• Apply the ideas of Tolerance and Peace to everyday situations involving extremism.

Key Concepts

• Meaning, definition and scope of religious tolerance.
• Important properties, types and examples of peaceful coexistence.
• Relationship between dialogue and examples from Seerah.
• Practical applications of Tolerance and Peace, especially extremism.
• Key terms and a summary of the main points of Tolerance and Peace.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Tolerance and Peace with a daily-life example.
2. Explain religious tolerance on the board with definitions and clear diagrams.
3. Discuss peaceful coexistence and dialogue using simple, relatable examples.
4. Involve the students through short questions on examples from Seerah.
5. Solve an exercise question on extremism together with the class.
6. Summarize the lesson and highlight the key points of Tolerance and Peace.

Classroom Activities

• Group discussion: students compare peaceful coexistence with dialogue.
• Board activity: solve a question on examples from Seerah in pairs.
• Quick quiz on the key terms of Tolerance and Peace.

Assessment Questions

1. Define religious tolerance.
2. Differentiate between peaceful coexistence and dialogue.
3. Explain with an example: examples from Seerah.
4. Write a short note on extremism.

Homework

• Read Tolerance and Peace from the book and solve the exercise questions.
• Prepare short notes on religious tolerance and peaceful coexistence.

Time Allocation

4–6 periods of 40 minutes each

Unit 8: Islam and Science

Learning Objectives

• Define and explain Quranic encouragement in the context of Islam and Science.
• Differentiate between Muslim scientists and scientific method with suitable examples.
• Solve conceptual problems related to modern discoveries accurately.
• Apply the ideas of Islam and Science to everyday situations involving harmony.

Key Concepts

• Meaning, definition and scope of Quranic encouragement.
• Important properties, types and examples of Muslim scientists.
• Relationship between scientific method and modern discoveries.
• Practical applications of Islam and Science, especially harmony.
• Key terms and a summary of the main points of Islam and Science.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Islam and Science with a daily-life example.
2. Explain Quranic encouragement on the board with definitions and clear diagrams.
3. Discuss Muslim scientists and scientific method using simple, relatable examples.
4. Involve the students through short questions on modern discoveries.
5. Solve an exercise question on harmony together with the class.
6. Summarize the lesson and highlight the key points of Islam and Science.

Classroom Activities

• Group discussion: students compare Muslim scientists with scientific method.
• Board activity: solve a question on modern discoveries in pairs.
• Quick quiz on the key terms of Islam and Science.

Assessment Questions

1. Define Quranic encouragement.
2. Differentiate between Muslim scientists and scientific method.
3. Explain with an example: modern discoveries.
4. Write a short note on harmony.

Homework

• Read Islam and Science from the book and solve the exercise questions.
• Prepare short notes on Quranic encouragement and Muslim scientists.

Time Allocation

4–6 periods of 40 minutes each

Unit 9: Contemporary Issues

Learning Objectives

• Define and explain modern challenges in the context of Contemporary Issues.
• Differentiate between Islamic guidance and media with suitable examples.
• Solve conceptual problems related to youth issues accurately.
• Apply the ideas of Contemporary Issues to everyday situations involving solutions.

Key Concepts

• Meaning, definition and scope of modern challenges.
• Important properties, types and examples of Islamic guidance.
• Relationship between media and youth issues.
• Practical applications of Contemporary Issues, especially solutions.
• Key terms and a summary of the main points of Contemporary Issues.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Contemporary Issues with a daily-life example.
2. Explain modern challenges on the board with definitions and clear diagrams.
3. Discuss Islamic guidance and media using simple, relatable examples.
4. Involve the students through short questions on youth issues.
5. Solve an exercise question on solutions together with the class.
6. Summarize the lesson and highlight the key points of Contemporary Issues.

Classroom Activities

• Group discussion: students compare Islamic guidance with media.
• Board activity: solve a question on youth issues in pairs.
• Quick quiz on the key terms of Contemporary Issues.

Assessment Questions

1. Define modern challenges.
2. Differentiate between Islamic guidance and media.
3. Explain with an example: youth issues.
4. Write a short note on solutions.

Homework

• Read Contemporary Issues from the book and solve the exercise questions.
• Prepare short notes on modern challenges and Islamic guidance.

Time Allocation

4–6 periods of 40 minutes each

Unit 10: Islamic Moral Values

Learning Objectives

• Define and explain honesty in the context of Islamic Moral Values.
• Differentiate between patience and kindness with suitable examples.
• Solve conceptual problems related to forgiveness accurately.
• Apply the ideas of Islamic Moral Values to everyday situations involving character building.

Key Concepts

• Meaning, definition and scope of honesty.
• Important properties, types and examples of patience.
• Relationship between kindness and forgiveness.
• Practical applications of Islamic Moral Values, especially character building.
• Key terms and a summary of the main points of Islamic Moral Values.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Islamic Moral Values with a daily-life example.
2. Explain honesty on the board with definitions and clear diagrams.
3. Discuss patience and kindness using simple, relatable examples.
4. Involve the students through short questions on forgiveness.
5. Solve an exercise question on character building together with the class.
6. Summarize the lesson and highlight the key points of Islamic Moral Values.

Classroom Activities

• Group discussion: students compare patience with kindness.
• Board activity: solve a question on forgiveness in pairs.
• Quick quiz on the key terms of Islamic Moral Values.

Assessment Questions

1. Define honesty.
2. Differentiate between patience and kindness.
3. Explain with an example: forgiveness.
4. Write a short note on character building.

Homework

• Read Islamic Moral Values from the book and solve the exercise questions.
• Prepare short notes on honesty and patience.

Time Allocation

4–6 periods of 40 minutes each
