Lesson Planning

Complete Lesson Plan Book

Class: Class 6

Subject: Social Studies

Medium: English

Academic Year 2026-27

This book is prepared as a teaching guide for teachers.

Table of Contents

Unit 1: The Indus Valley Civilization

Unit 2: Muslim Rule in the Subcontinent

Unit 3: The Pakistan Movement

Unit 4: The Constitution of Pakistan

Unit 5: Population and Settlement

Unit 6: Agriculture and Industry

Unit 7: Trade and Commerce

Unit 8: The United Nations

DM

Unit 1: The Indus Valley Civilization

Learning Objectives

• Students will be able to state where the Indus Valley Civilization flourished.

• Students will be able to name Mohenjo-daro and Harappa.

• Students will be able to describe two features of its cities.

Key Concepts

• Flourished around 2500 BC in the Indus Valley.

• Mohenjo-daro in Sindh; Harappa in Punjab.

• Planned streets, drainage system, the Great Bath.

• Trade, seals and skilled craftsmen.

Teaching Methodology (Step by Step)

1. Begin with a 5-minute warm-up: ask 2-3 oral questions revising the previous lesson and linking it to The Indus Valley Civilization.

2. Present the key ideas of The Indus Valley Civilization on the board with one clear example or a labelled diagram.

3. Explain each point slowly in simple words, asking a short check-question after every point.

4. Do guided practice: solve 3-4 examples of The Indus Valley Civilization together, inviting students to complete steps on the board.

5. Close with a 5-minute oral recap in which students state one new thing they learned about The Indus Valley Civilization.

Classroom Activities

• City plan: students draw a planned ancient street with drains.

• Artifact guess: students guess the use of 5 artifact pictures.

Assessment Questions

1. Where did the Indus Valley Civilization flourish?

2. Name its two famous cities.

3. Name two features of Mohenjo-daro.

Homework

• Draw the Great Bath and write 5 lines about it.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 2: Muslim Rule in the Subcontinent

Learning Objectives

• Students will be able to name three Muslim rulers.

• Students will be able to state one achievement of each ruler.

• Students will be able to explain the effects of Muslim rule.

Key Concepts

• Muhammad bin Qasim: arrived in Sindh in 712 AD.

• Mahmud Ghaznavi and the Delhi Sultanate.

• The Mughals: rise to decline.

• Effects: mosques, Urdu language, art and culture.

Teaching Methodology (Step by Step)

1. Start with rapid-fire mental revision: 5 quick questions from the last lesson connected to Muslim Rule in the Subcontinent.

2. Demonstrate Muslim Rule in the Subcontinent step by step on the board while students watch, listen and copy.

3. Move to guided practice: students attempt 2-3 similar items with the teacher's support.

4. Give independent practice: a short written task on Muslim Rule in the Subcontinent completed individually in notebooks.

5. Check a few notebooks on the spot, correct common mistakes on the board and summarise Muslim Rule in the Subcontinent.

Classroom Activities

• Ruler cards: match rulers with their achievements.

• Monument match: match rulers with buildings they built.

Assessment Questions

1. Name three Muslim rulers of the subcontinent.

2. Who arrived in Sindh in 712 AD?

3. Name two effects of Muslim rule.

Homework

• Write 8 lines on one Muslim ruler.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.

Unit 3: The Pakistan Movement

Learning Objectives

• Students will be able to explain why Pakistan was demanded.

• Students will be able to name the leaders of the movement.

• Students will be able to state the importance of 1940 and 1947.

Key Concepts

• Two-nation theory: Muslims are a separate nation.

• The founder of Pakistan led the Muslim League.

• Lahore Resolution: 23 March 1940.

• Independence: 14 August 1947.

Teaching Methodology (Step by Step)

1. Open with a hook: a short story, riddle or real-life example that introduces The Pakistan Movement.

2. Lead a class discussion on The Pakistan Movement with 4-5 guiding questions; record key answers on the board.

3. Organise the main activity in pairs or small groups according to the plan for The Pakistan Movement.

4. Let groups share their work; add corrections and the important points of The Pakistan Movement.

5. Finish with a quick oral or written check on The Pakistan Movement and announce the homework.

Classroom Activities

• Timeline: place 1940, 1946 and 1947 events on a timeline.

• Speech: one student speaks as the founder of Pakistan for 5 lines.

Assessment Questions

1. What is the two-nation theory?

2. When was the Lahore Resolution passed?

3. When did Pakistan come into being?

Homework

• Write 10 lines on the Pakistan Movement.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 4: The Constitution of Pakistan

Learning Objectives

• Students will be able to define a constitution.

• Students will be able to state when the 1973 constitution was passed.

• Students will be able to name three fundamental rights.

Key Concepts

• Constitution: the basic law of the country.

• Passed in 1973; Islamic provisions.

• Fundamental rights: life, education, equality.

• Duties of citizens along with rights.

Teaching Methodology (Step by Step)

1. Begin with 5 minutes of silent or loud reading connected to The Constitution of Pakistan.

2. Explain the new words and key ideas of The Constitution of Pakistan; write difficult words with meanings on the board.

3. Read the passage or examples of The Constitution of Pakistan together, with students taking turns.

4. Students complete a short written exercise on The Constitution of Pakistan in their notebooks.

5. Review the answers together, praise good work and give a brief summary of The Constitution of Pakistan.

Classroom Activities

• Rights cards: students match rights with daily-life examples.

• Class constitution: the class writes 5 rules for itself.

Assessment Questions

1. What is a constitution?

2. When was the constitution of Pakistan passed?

3. Name three fundamental rights.

Homework

• Write 5 rights and 5 duties of a citizen.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.

Unit 5: Population and Settlement

Learning Objectives

• Students will be able to define population simply.

• Students will be able to explain why people live in cities.

• Students will be able to compare village and city life.

Key Concepts

• Population: number of people in an area.

• Cities grow for jobs, schools, hospitals.

• Village life: farming, open spaces; city life: busy, facilities.

• Karachi is the largest city of Pakistan.

Teaching Methodology (Step by Step)

1. Begin with a 5-minute warm-up: ask 2-3 oral questions revising the previous lesson and linking it to Population and Settlement.

2. Present the key ideas of Population and Settlement on the board with one clear example or a labelled diagram.

3. Explain each point slowly in simple words, asking a short check-question after every point.

4. Do guided practice: solve 3-4 examples of Population and Settlement together, inviting students to complete steps on the board.

5. Close with a 5-minute oral recap in which students state one new thing they learned about Population and Settlement.

Classroom Activities

• Village vs city: students list 5 differences in a table.

• Population graph: draw bars for 4 cities by population.

Assessment Questions

1. What is population?

2. Why do people move to cities?

3. Name two differences between village and city life.

Homework

• Write 8 lines comparing your area with a village.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 6: Agriculture and Industry

Learning Objectives

• Students will be able to name the main crops of Pakistan.

• Students will be able to name three industries of Pakistan.

• Students will be able to explain the link between agriculture and industry.

Key Concepts

• Crops: wheat, rice, cotton, sugarcane.

• Industries: textile, sugar, cement, sports goods.

• Agro-based industries use farm products.

• Punjab is the food basket of Pakistan.

Teaching Methodology (Step by Step)

1. Start with rapid-fire mental revision: 5 quick questions from the last lesson connected to Agriculture and Industry.

2. Demonstrate Agriculture and Industry step by step on the board while students watch, listen and copy.

3. Move to guided practice: students attempt 2-3 similar items with the teacher's support.

4. Give independent practice: a short written task on Agriculture and Industry completed individually in notebooks.

5. Check a few notebooks on the spot, correct common mistakes on the board and summarise Agriculture and Industry.

Classroom Activities

• Crop map: mark wheat, rice and cotton areas on a map.

• Product chain: trace cotton from field to shirt.

Assessment Questions

1. Name four main crops of Pakistan.

2. Name three industries of Pakistan.

3. How is the textile industry linked to agriculture?

Homework

• Write 5 lines on the importance of agriculture.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.

Unit 7: Trade and Commerce

Learning Objectives

• Students will be able to define trade simply.

• Students will be able to explain imports and exports.

• Students will be able to name two exports of Pakistan.

Key Concepts

• Trade: buying and selling of goods.

• Export: selling abroad; import: buying from abroad.

• Exports: textiles, rice, sports goods.

• Ports: Karachi and Gwadar.

Teaching Methodology (Step by Step)

1. Open with a hook: a short story, riddle or real-life example that introduces Trade and Commerce.

2. Lead a class discussion on Trade and Commerce with 4-5 guiding questions; record key answers on the board.

3. Organise the main activity in pairs or small groups according to the plan for Trade and Commerce.

4. Let groups share their work; add corrections and the important points of Trade and Commerce.

5. Finish with a quick oral or written check on Trade and Commerce and announce the homework.

Classroom Activities

• Import-export sort: sort 10 product cards into import and export.

• Market visit: students list 5 imported items at home.

Assessment Questions

1. What is the difference between import and export?

2. Name two exports of Pakistan.

3. Name the two main seaports of Pakistan.

Homework

• List 5 Pakistani products sold in other countries.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 8: The United Nations

Learning Objectives

• Students will be able to state what the UN is.

• Students will be able to state when and why the UN was formed.

• Students will be able to name two works of the UN.

Key Concepts

• UN: organization of world nations; formed in 1945.

• Aim: world peace and human rights.

• Works: peacekeeping, health, education, food.

• Pakistan is an active member.

Teaching Methodology (Step by Step)

1. Begin with 5 minutes of silent or loud reading connected to The United Nations.

2. Explain the new words and key ideas of The United Nations; write difficult words with meanings on the board.

3. Read the passage or examples of The United Nations together, with students taking turns.

4. Students complete a short written exercise on The United Nations in their notebooks.

5. Review the answers together, praise good work and give a brief summary of The United Nations.

Classroom Activities

• Flag match: students identify 5 country flags including Pakistan.

• Peace poster: groups make a poster on world peace.

Assessment Questions

1. What does UN stand for?

2. When was the UN formed?

3. Name two works of the United Nations.

Homework

• Write 5 lines on why world peace is important.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.
