Subject: Social Studies

Medium: English

Academic Year 2026-27

This book is prepared as a teaching guide for teachers.

Table of Contents

Unit 1: The Pakistan Movement

Unit 2: Ideology of Pakistan

Unit 3: Branches of Government in Detail

Unit 4: Economy of Pakistan

Unit 5: World Geography: Major Landforms

Unit 6: Civic Responsibilities

Unit 7: History: The Mughal Period

Unit 8: Disaster Management

DM

Unit 1: The Pakistan Movement

Learning Objectives

• State the causes of the Pakistan Movement.

• Explain the role of the founder of Pakistan.

• Describe the Lahore Resolution of 1940.

• Narrate the events leading to independence in 1947.

Key Concepts

• Muslims needed a separate homeland to protect their identity.

• The Lahore Resolution (1940) demanded separate states.

• The founder's leadership united the Muslims.

• The 1946 elections proved Muslim League's popularity.

• Pakistan emerged on 14 August 1947.

Teaching Methodology (Step by Step)

1. Ask why Pakistan was created — collect ideas.
2. Explain the Two-Nation Theory simply.
3. Narrate the Lahore Resolution and its importance.
4. Trace events: 1946 elections, Cabinet Mission, 3rd June Plan.
5. Students build a timeline 1940–1947.

Classroom Activities

• Timeline building on the classroom wall.

• Speech: 'Why Pakistan was created'.

Assessment Questions

1. What was the Lahore Resolution?
2. Name two causes of the Pakistan Movement.
3. When did Pakistan come into being?

Homework

• Write the story of the Pakistan Movement in your own words.

Time Allocation

Discussion 5 min, teaching 20 min, timeline 10 min, quiz 5 min.

Unit 2: Ideology of Pakistan

Learning Objectives

- Define ideology.
- Explain the ideology of Pakistan.
- Describe the Two-Nation Theory.
- Explain the role of Islam in Pakistan's ideology.

Key Concepts

- Ideology is a set of beliefs and ideas.
- Pakistan's ideology is based on Islam.
- The Two-Nation Theory says Muslims and Hindus are two nations.
- Islam gives Pakistan its identity and purpose.
- Protecting the ideology is every citizen's duty.

Teaching Methodology (Step by Step)

1. Define ideology with simple examples.
2. Explain the Two-Nation Theory.
3. Show how Islam shaped the demand for Pakistan.
4. Discuss threats to ideology and how to counter them.
5. Students write the ideology in their own words.

Classroom Activities

- Debate: importance of ideology.
- Poster: 'Nazria-e-Pakistan'.

Assessment Questions

1. Define ideology.
2. What is the Two-Nation Theory?
3. Why is Islam central to Pakistan's ideology?

Homework

- Write a paragraph on the ideology of Pakistan.

Time Allocation

Warm-up 5 min, teaching 20 min, debate 10 min, review 5 min.

DM

Unit 3: Branches of Government in Detail

Learning Objectives

- Explain the composition of the Parliament.
- Describe how a bill becomes a law.
- Explain the role of the judiciary.
- State the functions of the executive.

Key Concepts

- Parliament: National Assembly (342 seats) and Senate (104 seats).
- A bill passes through readings and the President's assent.
- The Supreme Court guards the constitution.
- The Prime Minister runs the government with the cabinet.
- Separation of powers prevents misuse of authority.

Teaching Methodology (Step by Step)

1. Revise the three organs quickly.
2. Detail the two houses of Parliament.
3. Walk through the law-making process step by step.
4. Explain the court system simply.
5. Mock law-making: pass a class bill.

Classroom Activities

- Mock parliament session.
- Flowchart: how a bill becomes law.

Assessment Questions

1. Name the two houses of Parliament.
2. Write the steps of law-making.
3. What is the role of the Supreme Court?

Homework

- Draw the law-making flowchart.

Time Allocation

Revision 5 min, teaching 20 min, mock 10 min, review 5 min.

DM

Unit 4: Economy of Pakistan

Learning Objectives

• Define economy and its sectors.

• Name the major crops of Pakistan.

• Explain the importance of industry.

• State the role of remittances.

Key Concepts

• Sectors: agriculture, industry and services.

• Major crops: wheat, cotton, rice, sugarcane.

• Textiles are Pakistan's biggest industry.

• Overseas Pakistanis send remittances home.

• CPEC is improving trade and infrastructure.

Teaching Methodology (Step by Step)

1. Ask what people in the village/city do for a living.
2. Introduce the three sectors with examples.
3. Locate major crop areas on the map.
4. Discuss textiles and other industries.
5. Explain remittances and CPEC simply.

Classroom Activities

• Sector sorting game with occupation cards.

• Map of crop regions.

Assessment Questions

1. Name the three sectors of the economy.
2. Name four major crops of Pakistan.
3. What are remittances?

Homework

• Write about the occupation of five people you know.

Time Allocation

Discussion 5 min, teaching 20 min, games 10 min, review 5 min.

DM

Unit 5: World Geography: Major Landforms

Learning Objectives

• Name the major mountains, rivers and deserts of the world.

• Locate them on the world map.

• Explain the importance of rivers.

• Compare the longest rivers.

Key Concepts

• Mount Everest is the world's highest peak.

• The Nile and the Amazon are the longest rivers.

• The Sahara is the largest hot desert.

• Rivers provide water, transport and fertile soil.

• Mountains affect climate and store water as snow.

Teaching Methodology (Step by Step)

1. Show the world physical map.
2. Locate Everest, the Alps and the Andes.
3. Trace the Nile, Amazon and Indus.
4. Locate the Sahara and Gobi deserts.
5. Students label ten features on outline maps.

Classroom Activities

• Label the world physical map.

• Quiz: highest, longest, largest.

Assessment Questions

1. Name the highest peak in the world.
2. Name the two longest rivers.
3. Name the largest hot desert.

Homework

• Draw the world map marking five landforms.

Time Allocation

Map 10 min, teaching 20 min, labelling 5 min, quiz 5 min.

Unit 6: Civic Responsibilities

Learning Objectives

- Define civic responsibility.
- List the duties of a citizen.
- Explain the importance of voting.
- Describe how students can serve the community.

Key Concepts

- Citizens have rights and duties.
- Voting chooses honest leaders.
- Paying taxes funds schools and hospitals.
- Keeping the environment clean is a duty.
- Students can serve through cleanliness and helping others.

Teaching Methodology (Step by Step)

1. Discuss: what makes a good citizen?
2. List duties: obey law, vote, pay taxes, keep clean.
3. Explain voting with a class election.
4. Show how taxes become schools and roads.
5. Plan a class community-service project.

Classroom Activities

- Class election with ballot papers.
- Community service: clean the school ground.

Assessment Questions

1. Write four duties of a citizen.
2. Why is voting important?
3. How can students serve the community?

Homework

- Write about one duty you will practise this month.

Time Allocation

Discussion 10 min, teaching 15 min, election 10 min, review 5 min.

DM

Unit 7: History: The Mughal Period

Learning Objectives

• List the major periods of Mughal rule in order.

• Describe the achievements of a great Mughal emperor.

• Explain the later Mughal period briefly.

• Name Mughal monuments in Pakistan.

Key Concepts

• The Mughal Empire was founded in 1526.

• One Mughal emperor is known for administration and tolerance.

• The Taj Mahal was built by a Mughal emperor.

• One Mughal emperor ruled the largest Mughal territory.

• Lahore Fort and Badshahi Mosque are Mughal heritage in Pakistan.

Teaching Methodology (Step by Step)

1. Show a timeline of the Mughal period.
2. Tell the story of Panipat 1526.
3. Explain Mughal administration.
4. Briefly cover the later Mughal emperors.
5. Show pictures of Lahore's Mughal monuments.

Classroom Activities

• Emperor timeline cards in order.

• Draw a Mughal monument.

Assessment Questions

1. When was the Mughal Empire founded?
2. Name two achievements of the Mughal emperors.
3. Name two Mughal monuments in Lahore.

Homework

• Write about your favourite Mughal emperor.

Time Allocation

Portraits 5 min, stories 20 min, activity 10 min, quiz 5 min.

DM

Unit 8: Disaster Management

Learning Objectives

- Define natural disasters.
- Name disasters common in Pakistan.
- Explain safety steps during an earthquake.
- Describe the role of rescue services.

Key Concepts

- Earthquakes, floods and droughts affect Pakistan.
- The 2005 earthquake was a major tragedy.
- During an earthquake: drop, cover, hold on.
- Floods need early warning and evacuation.
- Rescue 1122 helps in emergencies.

Teaching Methodology (Step by Step)

1. Discuss news of recent floods or quakes.
2. Explain causes of earthquakes and floods simply.
3. Teach earthquake safety with a drill.
4. Teach flood safety: move to high ground.
5. Introduce Rescue 1122 and first aid basics.

Classroom Activities

- Earthquake safety drill in class.
- Make a family emergency plan.

Assessment Questions

1. Name three natural disasters affecting Pakistan.
2. What should you do during an earthquake?
3. What is Rescue 1122?

Homework

- Write your family emergency plan.

Time Allocation

Discussion 5 min, teaching 20 min, drill 10 min, review 5 min.
