Lesson Planning

Complete Lesson Plan Book

Class: Class 1

Subject: English

Medium: English

Academic Year 2026-27

This book is prepared as a teaching guide for teachers.

Table of Contents

Unit 1: The Alphabet A to M

Unit 2: The Alphabet N to Z

Unit 3: Sounds of Letters a to e

Unit 4: My Family Words

Unit 5: Colours and Shapes Words

Unit 6: Action Words

DM

Unit 1: The Alphabet A to M

Learning Objectives

• Students will recognise the capital letters A to M.

• Students will say the names of letters A to M in order.

• Students will match each letter with a picture that starts with it.

Key Concepts

• Letters are the building blocks of words.

• A to M are the first thirteen letters of the alphabet.

• Capital letters are tall and written big.

• Every letter has a name and a special shape.

Teaching Methodology (Step by Step)

1. The teacher writes letters A to M on the board and reads each one aloud.
2. Students repeat the letter names together after the teacher.
3. The teacher shows picture cards like A for apple and B for ball.
4. Students trace each letter in the air with their finger.
5. Students work in pairs to match letter cards with picture cards.

Classroom Activities

• Sing the alphabet song from A to M with hand actions.

• Play a letter hunt: find letters A to M on the classroom wall charts.

Assessment Questions

1. Point to the letter D on the board and say its name.
2. Which letter comes after the letter F?
3. Match the letter K with the correct picture card.
4. Write the letters A, B and C neatly in your notebook.

Homework

• Practise writing the letters A to M two times in the notebook.

Time Allocation

4 periods of 35 minutes each.

Unit 2: The Alphabet N to Z

Learning Objectives

• Students will recognise the capital letters N to Z.

• Students will recite the full alphabet from A to Z in order.

• Students will write the letters N to Z in their notebooks.

Key Concepts

• N to Z are the last thirteen letters of the alphabet.

• The English alphabet has twenty six letters in total.

• Small letters are used in most books and sentences.

• Letters join together to make words we read every day.

Teaching Methodology (Step by Step)

1. The teacher revises A to M and then introduces N to Z on the board.
2. Students chant N to Z aloud while the teacher points at each letter.
3. The teacher introduces small letters n to z beside the capitals.
4. Students practise writing small letters n to z on their slates.
5. The class plays a quick game: the teacher says a letter, students show its card.

Classroom Activities

• Alphabet train: students line up holding letter cards from A to Z.

• Draw your favourite letter from N to Z and colour it.

Assessment Questions

1. Name the letter that comes between P and R.
2. Recite the alphabet from A to Z without stopping.
3. Write the small letters n, o and p in your notebook.
4. Which is the last letter of the alphabet?

Homework

• Write the letters N to Z in capital and small form once each.

Time Allocation

4 periods of 35 minutes each.

Unit 3: Sounds of Letters a to e

Learning Objectives

• Students will say the sound of each letter from a to e.

• Students will name one word that begins with each sound.

• Students will blend the sounds to read simple syllables like ab and at.

Key Concepts

• Every letter makes its own special sound.

• The letter a says a as in apple.

• The letter b says b as in ball.

• Sounds join together to make words.

Teaching Methodology (Step by Step)

1. The teacher says the sound of a and students repeat it with an action.
2. The teacher repeats the same pattern for the sounds of b, c, d and e.
3. Students play: the teacher shows a picture, students say the first sound.
4. Students blend two sounds, like a-t, to read the word at.
5. The class reads a row of simple syllables from the board together.

Classroom Activities

• Sound bingo: students cover the picture whose first sound the teacher says.

• Clap the sound: clap once for every sound heard in a spoken word.

Assessment Questions

1. What is the first sound in the word cat?
2. Say the sound of the letter d.
3. Read the syllables am, an and ap aloud.
4. Name a word that starts with the sound of e.

Homework

• Say the sounds of a to e to a family member and name one word for each.

Time Allocation

4 periods of 35 minutes each.

Unit 4: My Family Words

Learning Objectives

• Students will name the members of their family in English.

• Students will use the sentence This is my father in speech.

• Students will draw and label their family members.

Key Concepts

• Family words name the people who live with us.

• Father, mother, brother and sister are family words.

• The sentence This is my ___ introduces a person.

• We love and respect every member of our family.

Teaching Methodology (Step by Step)

1. The teacher shows a family picture chart and names each member.
2. Students repeat the family words after the teacher.
3. The teacher models the sentence This is my mother with gestures.
4. Students introduce their own family members using the sentence.
5. Students draw their family and label each person with help.

Classroom Activities

• Family role play: students act as father, mother, brother and sister.

• Stick family drawings on the My Family wall of the classroom.

Assessment Questions

1. Name four members of your family.
2. Complete the sentence: This is my ___.
3. Point to the brother in the family chart.
4. Who takes care of you at home?

Homework

• Draw your family and write the name of each member below the drawing.

Time Allocation

3 periods of 35 minutes each.

Unit 5: Colours and Shapes Words

Learning Objectives

• Students will name six common colours in English.

• Students will name the circle, square and triangle.

• Students will describe objects using It is red and It is a circle.

Key Concepts

• Colours tell us how things look.

• Red, blue, yellow, green, orange and black are common colours.

• A circle is round, a square has four equal sides, a triangle has three sides.

• The sentence It is ___ describes colour and shape.

Teaching Methodology (Step by Step)

1. The teacher holds up colour cards and students name each colour.
2. Students find one object of each colour inside the classroom.
3. The teacher draws a circle, square and triangle and names them.
4. Students trace the shapes in the air and on paper.
5. Students describe classroom objects: It is red. It is a circle.

Classroom Activities

• Colour hunt in the school ground in small groups.

• Make a shape collage with coloured paper cuttings.

Assessment Questions

1. Name the colour of your school bag.
2. How many sides does a triangle have?
3. Point to something square in the classroom.
4. Complete the sentence: The apple is ___.

Homework

• Draw a red circle, a blue square and a yellow triangle in the notebook.

Time Allocation

4 periods of 35 minutes each.

Unit 6: Action Words

Learning Objectives

• Students will name six common action words.

• Students will act out each action word on command.

• Students will use the sentence I can ___ in speech.

Key Concepts

• Action words tell us what people do.

• Run, jump, read, write, eat and sleep are action words.

• The sentence I can run tells what I am able to do.

• We use action words in games and daily life.

Teaching Methodology (Step by Step)

1. The teacher says an action word and performs the action.
2. Students copy the action and repeat the word aloud.
3. The teacher shows action picture cards for quick revision.
4. Students take turns: one acts, the class names the action word.
5. Students make the sentence I can jump with their own actions.

Classroom Activities

• Play Simon says using the six action words.

• Action word relay: act and name the word before passing the turn.

Assessment Questions

1. Show the action for the word read without speaking.
2. Name three action words you do every morning.
3. Complete the sentence: I can ___.
4. Which action word matches this picture?

Homework

• Draw two action words you like and write their names below.

Time Allocation

3 periods of 35 minutes each.
