DM

Unit 1: All About Me

Learning Objectives

• Students will say their full name, age and class.

• Students will name their favourite colour, food and game.

• Students will introduce themselves to the class.

Key Concepts

• Everyone has a name that is special.

• Knowing about yourself is the first knowledge.

• We all have likes and dislikes.

• Sharing about ourselves builds friendship.

Teaching Methodology (Step by Step)

1. The teacher introduces herself as a model.
2. Students repeat the introduction pattern after the teacher.
3. Students tell their name, age and class one by one.
4. Students share their favourite colour and food.
5. The class claps for every student who introduces themselves.

Classroom Activities

• All about me poster with drawing and facts.

• Friendship circle: introduce the friend sitting next to you.

Assessment Questions

1. What is your full name?
2. How old are you?
3. What is your favourite food?
4. Introduce yourself to the class.

Homework

• Make an All About Me card at home.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 2: Fruits and Vegetables

Learning Objectives

• Students will name eight common fruits.

• Students will name six common vegetables.

• Students will tell that fruits and vegetables keep us healthy.

Key Concepts

• Mango is the king of fruits in Pakistan.

• Apple, banana, orange and grapes are common fruits.

• Potato, tomato, onion and carrot are common vegetables.

• Eating fruits and vegetables keeps us strong.

Teaching Methodology (Step by Step)

1. The teacher shows real fruits and vegetables.
2. Students name each item after the teacher.
3. Students sort the items into fruits and vegetables.
4. The teacher explains which part of the plant we eat.
5. Students draw their favourite fruit and vegetable.

Classroom Activities

• Fruit salad day: name each fruit before eating.

• Vegetable printing art with ladyfinger and potato.

Assessment Questions

1. Name four fruits.
2. Name three vegetables.
3. Which fruit is called the king of fruits?
4. Is tomato a fruit or a vegetable?

Homework

• Draw three fruits and three vegetables.

Time Allocation

4 periods of 35 minutes each.

DM

Unit 3: Colours Around Us

Learning Objectives

• Students will name eight colours.

• Students will match colours with objects.

• Students will mix two colours to make a new colour.

Key Concepts

• Red, blue, yellow, green, orange, purple, black and white are colours.

• The sky is blue and grass is green.

• Red and yellow mix to make orange.

• Blue and yellow mix to make green.

Teaching Methodology (Step by Step)

1. The teacher shows colour cards one by one.
2. Students name each colour aloud together.
3. Students find objects of each colour in the classroom.
4. The teacher mixes paints to show new colours.
5. Students paint with the mixed colours.

Classroom Activities

• Colour mixing fun with water paints.

• Rainbow drawing with all the colours.

Assessment Questions

1. Name six colours.
2. What colour is the sky?
3. Which two colours make green?
4. Point to something purple in the classroom.

Homework

• Draw a rainbow with six colours.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 4: Days of the Week

Learning Objectives

• Students will name the seven days of the week in order.

• Students will tell which day comes after a given day.

• Students will tell what they do on Sunday.

Key Concepts

• There are seven days in a week.

• The days are Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday.

• Friday is a special day for Muslims.

• Sunday is usually a holiday.

Teaching Methodology (Step by Step)

1. The teacher writes the seven days on the board.
2. Students repeat the days in order after the teacher.
3. The teacher asks: which day comes after Tuesday?
4. Students sing the days of the week song.
5. Students tell what they do on each day.

Classroom Activities

• Days of the week song with actions.

• Make a weekly diary with one drawing per day.

Assessment Questions

1. Name the seven days of the week.
2. Which day comes after Friday?
3. Which day is a holiday?
4. What do you do on Sunday?

Homework

• Write the seven days in your notebook.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 5: Seasons of the Year

Learning Objectives

• Students will name the four seasons.

• Students will tell what the weather is like in each season.

• Students will name the clothes worn in each season.

Key Concepts

• The four seasons are summer, winter, spring and autumn.

• Summer is hot and winter is cold.

• Spring brings new flowers and autumn brings falling leaves.

• We wear warm clothes in winter and light clothes in summer.

Teaching Methodology (Step by Step)

1. The teacher shows pictures of the four seasons.
2. Students name each season after the teacher.
3. The teacher explains the weather of each season.
4. Students sort clothes cards by season.
5. Students draw their favourite season.

Classroom Activities

• Season sorting game with picture cards.

• Draw what you wear in winter and in summer.

Assessment Questions

1. Name the four seasons.
2. Which season is the hottest?
3. In which season do flowers bloom?
4. What do we wear in winter?

Homework

• Draw your favourite season.

Time Allocation

3 periods of 35 minutes each.

DM
