Unit 6: Good Habits at Home and School

DM

Unit 1: My Family

Learning Objectives

• Students will name the members of their family.

• Students will tell the role of each family member.

• Students will draw their family tree.

Key Concepts

• A family is made of people who live together with love.

• Grandparents, parents and children make a family.

• Father works to earn money for the family.

• Mother takes care of the home and the children.

Teaching Methodology (Step by Step)

1. The teacher shows a family chart and names each member.
2. Students repeat the family words after the teacher.
3. The teacher explains what each member does for the family.
4. Students talk about their own family members.
5. Students draw their family members in their notebooks.

Classroom Activities

• Draw your family tree with names.

• Bring a family photo and introduce each member.

Assessment Questions

1. Name the members of your family.
2. Who earns money for your family?
3. Who takes care of you when you are sick?
4. Draw your family in your notebook.

Homework

• Ask a grandparent about their childhood.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 2: My School

Learning Objectives

• Students will name the rooms and places in their school.

• Students will tell the name of their teacher and principal.

• Students will follow the rules of the school.

Key Concepts

• Our school is a place where we learn new things.

• The classroom, office, library and playground are parts of a school.

• The principal is the head of the school.

• Teachers teach us and help us learn.

Teaching Methodology (Step by Step)

1. The teacher takes students on a walk around the school.
2. Students name each room and place they visit.
3. The teacher introduces the principal and office staff.
4. Students learn three important school rules.
5. Students draw their school building.

Classroom Activities

• School tour: visit the library, office and playground.

• Draw your classroom and label the board and desks.

Assessment Questions

1. Name three places in your school.
2. Who is the head of your school?
3. Name two rules of your school.
4. Where do you play in school?

Homework

• Draw your school and colour it.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 3: My Home

Learning Objectives

• Students will name the rooms of a house.

• Students will tell what we do in each room.

• Students will draw their home.

Key Concepts

• A home is where a family lives together.

• We cook food in the kitchen and sleep in the bedroom.

• We meet guests in the drawing room.

• We should keep our home neat and clean.

Teaching Methodology (Step by Step)

1. The teacher shows a house chart with all the rooms.
2. Students name each room after the teacher.
3. The teacher asks what we do in the kitchen.
4. Students match room cards with activity cards.
5. Students draw their own home with rooms.

Classroom Activities

• Build a small house with blocks or boxes.

• Draw your favourite room and name it.

Assessment Questions

1. Name three rooms of a house.
2. Where do we cook food?
3. Where do we sleep at night?
4. Draw your home in your notebook.

Homework

• Count the rooms of your home.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 4: Helpers in Our Community

Learning Objectives

• Students will name five community helpers.

• Students will tell the work of each helper.

• Students will thank the helpers they meet.

Key Concepts

• A doctor treats sick people.

• A teacher teaches children in school.

• A farmer grows food for us.

• A policeman keeps our streets safe.

Teaching Methodology (Step by Step)

1. The teacher shows picture cards of community helpers.
2. Students name each helper after the teacher.
3. The teacher explains what each helper does.
4. Students match helper cards with their tools.
5. Students say thank you to the school helpers.

Classroom Activities

• Dress up as your favourite community helper.

• Thank you cards for the school guard and sweeper.

Assessment Questions

1. Name three community helpers.
2. Who treats sick people?
3. Who grows food for us?
4. Who teaches you in school?

Homework

• Thank one helper you meet today.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 5: My Country: Pakistan

Learning Objectives

• Students will say that Pakistan is their country.

• Students will name the capital of Pakistan.

• Students will recognise the flag of Pakistan.

Key Concepts

• Pakistan is our beloved homeland.

• Islamabad is the capital of Pakistan.

• The flag of Pakistan is green and white.

• The white stripe stands for minorities and green for Muslims.

Teaching Methodology (Step by Step)

1. The teacher shows the map of Pakistan and points at Islamabad.
2. Students repeat the name of the capital after the teacher.
3. The teacher shows the national flag and explains its colours.
4. Students draw the flag of Pakistan carefully.
5. Students sing a short patriotic rhyme together.

Classroom Activities

• Draw and colour the flag of Pakistan.

• Find Pakistan on a big world map.

Assessment Questions

1. What is the name of your country?
2. What is the capital of Pakistan?
3. What are the colours of our flag?
4. Draw the flag of Pakistan.

Homework

• Ask a family member the name of their city.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 6: Good Habits at Home and School

Learning Objectives

- Students will name five good habits.
- Students will practise good habits in daily life.
- Students will tell the difference between good and bad habits.

Key Concepts

- Waking up early is a good habit.
- Brushing teeth and taking a bath keep us fresh.
- Speaking politely to everyone is a good habit.
- Throwing rubbish in the bin keeps places clean.

Teaching Methodology (Step by Step)

1. The teacher shows good and bad habit picture cards.
2. Students sort the cards into two groups.
3. The teacher explains why each habit is good or bad.
4. Students promise to follow one new good habit.
5. Students make a good habits chart for the classroom.

Classroom Activities

- Habit sorting game with picture cards.
- Star chart: earn a star for each good habit daily.

Assessment Questions

1. Name three good habits.
2. Is waking up late a good habit?
3. Where should we throw rubbish?
4. Name one good habit you will follow.

Homework

- Follow three good habits at home today.

Time Allocation

3 periods of 35 minutes each.
