Lesson Planning

Complete Lesson Plan Book

Class: Class 2

Subject: English

Medium: English

Academic Year 2026-27

This book is prepared as a teaching guide for teachers.

Table of Contents

Unit 1: Vowel Sounds

Unit 2: Three-Letter Words

Unit 3: This Is and That Is Sentences

Unit 4: Naming Words: Nouns

Unit 5: Action Words: Verbs

Unit 6: My Daily Routine

DM

Unit 1: Vowel Sounds

Learning Objectives

• Students will name the five vowels a, e, i, o, u.

• Students will say the short sound of each vowel.

• Students will sort words by their vowel sound.

Key Concepts

• A, e, i, o and u are called vowels.

• Every word has at least one vowel sound.

• The short a sounds like a in cat.

• Vowels help us read new words.

Teaching Methodology (Step by Step)

1. The teacher writes the five vowels on the board.
2. Students repeat the short sound of each vowel.
3. The teacher reads word pairs like cat and cut for contrast.
4. Students sort picture cards by their vowel sound.
5. Students read a list of short vowel words in chorus.

Classroom Activities

• Vowel sorting race with picture cards.

• Find the vowel: circle the vowel in each word.

Assessment Questions

1. Name the five vowels.
2. What is the vowel sound in the word pen?
3. Sort these words: bat, bit, but.
4. Which word has the short o sound: dog or dig?

Homework

• Write five words with the short a sound.

Time Allocation

4 periods of 35 minutes each.

DM

Unit 2: Three-Letter Words

Learning Objectives

• Students will read three-letter words like cat, pen and bus.

• Students will blend sounds to read new three-letter words.

• Students will write three-letter words from dictation.

Key Concepts

• Three-letter words have a beginning, middle and end sound.

• Blending means joining sounds smoothly: c-a-t says cat.

• The middle sound is usually a vowel.

• Reading many small words builds reading speed.

Teaching Methodology (Step by Step)

1. The teacher writes cat and blends the sounds slowly.
2. Students repeat the blended word after the teacher.
3. Students blend new words: pen, bus, cup, box.
4. Students read word families: cat, bat, hat, mat.
5. Students write five three-letter words from dictation.

Classroom Activities

• Word family flip cards: change the first letter to make new words.

• Read and draw: read the word and draw it quickly.

Assessment Questions

1. Read these words: sun, bed, pig.
2. Blend the sounds: d-o-g.
3. Write three words from the at family.
4. Which word rhymes with ball?

Homework

• Write ten three-letter words in your notebook.

Time Allocation

5 periods of 35 minutes each.

DM

Unit 3: This Is and That Is Sentences

Learning Objectives

• Students will use This is to talk about near things.

• Students will use That is to talk about far things.

• Students will make five correct sentences with this and that.

Key Concepts

• This is points to something near us.

• That is points to something far from us.

• This is my book means the book is close to me.

• That is the board means the board is far from me.

Teaching Methodology (Step by Step)

1. The teacher holds a pencil and says This is my pencil.
2. Students repeat the sentence with their own pencils.
3. The teacher points to the door and says That is the door.
4. Students make sentences about near and far objects.
5. Students write three sentences with this and three with that.

Classroom Activities

• Point and say: walk around naming near and far things.

• Picture talk: describe a classroom picture with this and that.

Assessment Questions

1. Complete: ___ is my bag (near).
2. Complete: ___ is the sun (far).
3. Make one sentence with this and one with that.
4. Point to something far and describe it.

Homework

• Write five sentences about things in your room.

Time Allocation

4 periods of 35 minutes each.

DM

Unit 4: Naming Words: Nouns

Learning Objectives

• Students will tell what a naming word is.

• Students will name nouns for people, places and things.

• Students will circle the nouns in simple sentences.

Key Concepts

• A naming word names a person, place or thing.

• teacher and baby are naming words for people.

• School, park and shop are naming words for places.

• Book, ball and apple are naming words for things.

Teaching Methodology (Step by Step)

1. The teacher writes Naming Words on the board with examples.
2. Students name five people they know.
3. Students name five places they visit.
4. Students name five things in the classroom.
5. Students circle the naming words in sentences on the board.

Classroom Activities

• Noun hunt: find and list naming words around the school.

• Noun ball toss: catch the ball and name a noun.

Assessment Questions

1. What is a naming word?
2. Name two naming words for places.
3. Circle the naming word: The cat sat on the mat.
4. Name three naming words for things in your bag.

Homework

• Write five naming words for people you know.

Time Allocation

4 periods of 35 minutes each.

Unit 5: Action Words: Verbs

Learning Objectives

• Students will tell what an action word is.

• Students will name six action words with actions.

• Students will underline the action word in simple sentences.

Key Concepts

• An action word tells what someone does.

• Run, eat, drink, play, read and write are action words.

• Every sentence has an action word.

• Action words make our speech lively.

Teaching Methodology (Step by Step)

1. The teacher performs an action and students name it.
2. Students repeat the action words with movements.
3. The teacher writes sentences and underlines the action word.
4. Students underline action words in sentences on the board.
5. Students make their own sentences with action words.

Classroom Activities

• Act and guess: one student acts, the class names the action word.

• Action word charades in small groups.

Assessment Questions

1. What is an action word?
2. Underline the action word: Birds fly in the sky.
3. Name four action words you do at school.
4. Make a sentence with the word play.

Homework

• Write five sentences with different action words.

Time Allocation

4 periods of 35 minutes each.

Unit 6: My Daily Routine

Learning Objectives

• Students will name six daily routine activities.

• Students will order the activities from morning to night.

• Students will speak five sentences about their own routine.

Key Concepts

• A routine is what we do every day in order.

• We wake up, brush our teeth and eat breakfast in the morning.

• We go to school, study and play in the day.

• We sleep early at night to stay healthy.

Teaching Methodology (Step by Step)

1. The teacher shows routine picture cards in order.
2. Students name each activity after the teacher.
3. Students arrange the cards from morning to night.
4. Students make sentences: I wake up at six o clock.
5. Volunteers tell the class about their own routine.

Classroom Activities

• My day wheel: draw routine activities on a clock wheel.

• Interview a friend about their daily routine.

Assessment Questions

1. Name four things you do in the morning.
2. Arrange in order: sleep, wake up, go to school.
3. What do you do after school?
4. Tell five sentences about your day.

Homework

• Draw your daily routine in four pictures.

Time Allocation

4 periods of 35 minutes each.
