DM

Unit 3: Birds and Insects

Learning Objectives

• Students will name five birds and five insects.

• Students will tell the difference between birds and insects.

• Students will tell where birds build their nests.

Key Concepts

• Birds have feathers, wings and beaks.

• Sparrow, parrot, pigeon and crow are birds.

• Insects are tiny and have six legs.

• Ant, butterfly, bee and mosquito are insects.

Teaching Methodology (Step by Step)

1. The teacher shows pictures of birds.
2. Students name each bird after the teacher.
3. The teacher shows pictures of insects.
4. Students count the six legs of insects.
5. Students sort cards into birds and insects.

Classroom Activities

• Bird watching in the school ground.

• Draw a butterfly and colour its wings.

Assessment Questions

1. Name three birds.
2. How many legs does an insect have?
3. Name three insects.
4. Where do birds build their nests?

Homework

• Draw your favourite bird.

Time Allocation

3 periods of 35 minutes each.

Unit 4: Safety Rules

Learning Objectives

• Students will name five safety rules.

• Students will tell what to do in an emergency.

• Students will follow safety rules at home and school.

Key Concepts

• We look left and right before crossing the road.

• We never touch electric wires or sockets.

• We do not talk to strangers alone.

• We tell a teacher if we feel unsafe.

Teaching Methodology (Step by Step)

1. The teacher shows safety picture cards.
2. Students tell what is safe and unsafe in each.
3. The teacher explains road crossing steps.
4. Students practise crossing on a floor zebra crossing.
5. Students learn the emergency number with the teacher.

Classroom Activities

• Zebra crossing practice on the playground.

• Safe or unsafe sorting game with cards.

Assessment Questions

1. Name three safety rules.
2. What do we do before crossing the road?
3. Should we touch electric wires?
4. Who do we tell if we feel unsafe?

Homework

• Draw one safety rule you will follow.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 5: Sports and Games

Learning Objectives

2. Students name each sport after the teacher.
3. The teacher explains the national game.
4. Students play a simple team game in the ground.
5. Students learn to win and lose gracefully.

Classroom Activities

• Mini cricket match in the playground.

• Draw your favourite sport.

Assessment Questions

1. Name three sports played in Pakistan.
2. What is the national game of Pakistan?
3. Which game do you like best?
4. Why should we play games?

Homework

• Draw yourself playing your favourite game.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 6: Our Great Leader: the founder of Pakistan

Learning Objectives

• Students will tell who the founder of Pakistan was.

• Students will name his birthday.

• Students will tell why we remember him.

Key Concepts

• The founder of Pakistan gave us Pakistan.

• He was born on 25 December 1876 in Karachi.

• He worked hard so Muslims could have their own country.

• His tomb in Karachi is called the founder's mausoleum.

Teaching Methodology (Step by Step)

1. The teacher tells the story of the founder of Pakistan simply.
2. Students repeat his name and birthday.
3. The teacher shows the picture of the founder's mausoleum.
4. Students learn his famous motto: unity, faith, discipline.
5. Students draw the national flag he gave us.

Classroom Activities

• Draw the founder's mausoleum.

• Learn the motto: unity, faith and discipline.

Assessment Questions

1. Who gave us Pakistan?
2. When was the founder of Pakistan born?
3. Where is the founder's mausoleum?
4. What was his famous motto?

Homework

• Tell a family member about the founder of Pakistan.

Time Allocation

3 periods of 35 minutes each.
