Unit 7: Good Habits

DM

Unit 1: All About Me

Learning Objectives

• Introduce yourself in 5 sentences.

• Name your body parts and their uses.

• Tell your likes and dislikes politely.

Key Concepts

• My name, age and class tell who I am.

• Hands help us work; legs help us walk.

• Everyone has likes and dislikes.

• We respect others' choices.

Teaching Methodology (Step by Step)

1. Model your own introduction first.
2. Pupils introduce themselves in pairs.
3. Point to body parts; pupils name and tell use.
4. Discuss likes and dislikes respectfully.
5. Volunteers introduce themselves to the class.

Classroom Activities

• My identity card: draw and fill your details.

• Body parts bingo.

Assessment Questions

1. What is your full name?
2. Name three body parts and their uses.
3. What is your favourite fruit?
4. Why should we respect others' likes?

Homework

• Write five sentences about yourself.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 2: Pakistan: Basic Facts

Learning Objectives

• Name the capital and major cities of Pakistan.

• Name the national language and currency.

• Name two famous rivers of Pakistan.

Key Concepts

• Islamabad is the capital.

• Karachi, Lahore and Peshawar are big cities.

• Urdu is our national language.

• Rupee is our currency; Indus is our great river.

Teaching Methodology (Step by Step)

1. Show cities on a simple map.
2. Pupils locate Islamabad, Karachi, Lahore.
3. Teach: language, currency, river with pictures.
4. Quiz teams on facts.
5. Colour a simple map of Pakistan.

Classroom Activities

• Fact cards: match city with its famous place.

• Draw and label a map of Pakistan.

Assessment Questions

1. What is the capital of Pakistan?
2. Name two big cities.
3. What is our national language?
4. Name one famous river.

Homework

• Learn five facts about Pakistan by heart.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 3: Fruits and Vegetables

Learning Objectives

• Name ten common fruits and vegetables.

• Tell which are fruits and which are vegetables.

• Name the colours and tastes of some.

Key Concepts

• Mango is the king of fruits.

• Apple, banana and orange are fruits.

• Potato, onion and carrot are vegetables.

• Fruits and vegetables keep us healthy.

Teaching Methodology (Step by Step)

1. Show real fruits and vegetables.
2. Pupils touch, smell and name each.
3. Sort into fruit and vegetable baskets.
4. Taste a few safely; describe sweet or sour.
5. Discuss: eat fruits daily.

Classroom Activities

• Fruit salad making (washed, with teacher help).

• Draw your favourite fruit and vegetable.

Assessment Questions

1. Name five fruits.
2. Is potato a fruit or vegetable?
3. Which fruit is called the king of fruits?
4. Name two green vegetables.

Homework

• Draw three fruits and three vegetables; label them.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 4: Colours, Shapes and Sizes

Learning Objectives

• Name ten colours correctly.

• Identify basic shapes around us.

• Compare big, small, tall and short.

Key Concepts

• Red, blue, yellow are primary colours.

• Shapes: circle, square, triangle, rectangle.

• Big and small describe size.

• Tall and short describe height.

Teaching Methodology (Step by Step)

1. Colour cards: pupils name each quickly.
2. Find shapes in the classroom.
3. Compare objects: bigger, smaller.
4. Sort objects by colour.
5. Colour a picture using named colours.

Classroom Activities

• Colour hunt: find five red things.

• Shape collage with coloured paper.

Assessment Questions

1. Name three primary colours.
2. How many sides does a square have?
3. Which is taller: a tree or a flower?
4. Name something round in the classroom.

Homework

• Draw and colour one of each shape.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 5: Days, Months and Seasons

Learning Objectives

• Name the seven days of the week in order.

• Name the twelve months.

• Match seasons with months simply.

Key Concepts

• There are seven days in a week.

• Friday is special for Muslims.

• There are twelve months in a year.

• Summer, winter, spring and autumn are seasons.

Teaching Methodology (Step by Step)

1. Sing the days-of-the-week song.
2. Pupils recite days and months in order.
3. Make a class calendar for the month.
4. Match months with seasons on a chart.
5. Ask: what day is today?

Classroom Activities

• Birthday chart: mark birthdays on the calendar.

• Seasons wheel craft.

Assessment Questions

1. How many days are in a week?
2. Name the days of the week.
3. How many months are in a year?
4. Which month is the hottest?

Homework

• Write the days of the week twice from memory.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 6: Famous Places of Pakistan

Learning Objectives

• Name five famous places of Pakistan.

• Locate them roughly on a map.

• Feel proud of our beautiful country.

Key Concepts

• Badshahi Mosque is in Lahore.

• Minar-e-Pakistan is also in Lahore.

• Faisal Mosque is in Islamabad.

• Mohenjo-daro is an ancient city in Sindh.

Teaching Methodology (Step by Step)

1. Show pictures of famous places.
2. Pupils match places with cities.
3. Tell one interesting fact about each.
4. Locate them on a wall map.
5. Discuss: why do tourists visit?

Classroom Activities

• Postcard making: draw a famous place.

• Match place cards with city cards.

Assessment Questions

1. Name two famous places in Lahore.
2. Where is Faisal Mosque?
3. What is Mohenjo-daro?
4. Name one place you want to visit.

Homework

• Draw one famous place of Pakistan and write two lines about it.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 7: Good Habits

Learning Objectives

• Practise ten good daily habits.

• Understand why habits matter.

• Replace one bad habit with a good one.

Key Concepts

• Brushing teeth twice daily keeps them strong.

• Washing hands before eating keeps us healthy.

• Sleeping early gives us energy.

• Saying salam spreads love.

Teaching Methodology (Step by Step)

1. Discuss: what did you do this morning?
2. Demonstrate hand washing and teeth brushing.
3. Make a good-habits chart for the class.
4. Pupils tick their habits daily for a week.
5. Praise pupils with the best habit chart.

Classroom Activities

• Habit stars: earn stars for daily good habits.

• Role play: a day of a tidy pupil.

Assessment Questions

1. Name three good morning habits.
2. Why should we wash hands before eating?
3. What time should pupils sleep?
4. Name one bad habit to leave.

Homework

• Follow your habit chart for one week.

Time Allocation

3 periods of 35 minutes each.
