Lesson Planning

Complete Lesson Plan Book

Class: Class 11 – FSc Pre-Engineering

Subject: Islamiat

Medium: English

Academic Year 2026-27

DM

This book is prepared as a teaching guide for teachers.

Table of Contents

Unit 1: Quranic Verses: Translation and Explanation

Unit 2: Selected Ahadith

Unit 3: Seerat-un-Nabi: Makki Life

Unit 4: Seerat-un-Nabi: Madani Life

Unit 5: Pillars of Islam

Unit 6: Islamic Beliefs

Unit 7: Islamic Social System

Unit 8: Rights and Duties

Unit 9: Concept of Jihad

Unit 10: Islamic Economic System

DM

Unit 1: Quranic Verses: Translation and Explanation

Learning Objectives

• Define and explain selected verses in the context of Quranic Verses: Translation and Explanation.

• Differentiate between translation and background with suitable examples.

• Solve conceptual problems related to key teachings accurately.

• Apply the ideas of Quranic Verses: Translation and Explanation to everyday situations involving vocabulary.

Key Concepts

• Meaning, definition and scope of selected verses.

• Important properties, types and examples of translation.

• Relationship between background and key teachings.

• Practical applications of Quranic Verses: Translation and Explanation, especially vocabulary.

• Key terms and a summary of the main points of Quranic Verses: Translation and Explanation.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Quranic Verses: Translation and Explanation with a daily-life example.
2. Explain selected verses on the board with definitions and clear diagrams.
3. Discuss translation and background using simple, relatable examples.
4. Involve the students through short questions on key teachings.
5. Solve an exercise question on vocabulary together with the class.
6. Summarize the lesson and highlight the key points of Quranic Verses: Translation and Explanation.

Classroom Activities

• Group discussion: students compare translation with background.

• Board activity: solve a question on key teachings in pairs.

• Quick quiz on the key terms of Quranic Verses: Translation and Explanation.

Assessment Questions

1. Define selected verses.
2. Differentiate between translation and background.
3. Explain with an example: key teachings.
4. Write a short note on vocabulary.

Homework

• Read Quranic Verses: Translation and Explanation from the book and solve the exercise questions.

• Prepare short notes on selected verses and translation.

Time Allocation

4–6 periods of 40 minutes each

Unit 2: Selected Ahadith

Learning Objectives

• Define and explain hadith text in the context of Selected Ahadith.
• Differentiate between translation and explanation with suitable examples.
• Solve conceptual problems related to moral lessons accurately.
• Apply the ideas of Selected Ahadith to everyday situations involving references.

Key Concepts

• Meaning, definition and scope of hadith text.
• Important properties, types and examples of translation.
• Relationship between explanation and moral lessons.
• Practical applications of Selected Ahadith, especially references.
• Key terms and a summary of the main points of Selected Ahadith.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Selected Ahadith with a daily-life example.
2. Explain hadith text on the board with definitions and clear diagrams.
3. Discuss translation and explanation using simple, relatable examples.
4. Involve the students through short questions on moral lessons.
5. Solve an exercise question on references together with the class.
6. Summarize the lesson and highlight the key points of Selected Ahadith.

Classroom Activities

• Group discussion: students compare translation with explanation.
• Board activity: solve a question on moral lessons in pairs.
• Quick quiz on the key terms of Selected Ahadith.

Assessment Questions

1. Define hadith text.
2. Differentiate between translation and explanation.
3. Explain with an example: moral lessons.
4. Write a short note on references.

Homework

• Read Selected Ahadith from the book and solve the exercise questions.
• Prepare short notes on hadith text and translation.

Time Allocation

4–6 periods of 40 minutes each

Unit 3: Seerat-un-Nabi: Makki Life

Learning Objectives

• Define and explain birth in the context of Seerat-un-Nabi: Makki Life.
• Differentiate between early life and prophethood with suitable examples.
• Solve conceptual problems related to Makkan opposition accurately.
• Apply the ideas of Seerat-un-Nabi: Makki Life to everyday situations involving migration to Madina.

Key Concepts

• Meaning, definition and scope of birth.
• Important properties, types and examples of early life.
• Relationship between prophethood and Makkan opposition.
• Practical applications of Seerat-un-Nabi: Makki Life, especially migration to Madina.
• Key terms and a summary of the main points of Seerat-un-Nabi: Makki Life.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Seerat-un-Nabi: Makki Life with a daily-life example.
2. Explain birth on the board with definitions and clear diagrams.
3. Discuss early life and prophethood using simple, relatable examples.
4. Involve the students through short questions on Makkan opposition.
5. Solve an exercise question on migration to Madina together with the class.
6. Summarize the lesson and highlight the key points of Seerat-un-Nabi: Makki Life.

Classroom Activities

• Group discussion: students compare early life with prophethood.
• Board activity: solve a question on Makkan opposition in pairs.
• Quick quiz on the key terms of Seerat-un-Nabi: Makki Life.

Assessment Questions

1. Define birth.
2. Differentiate between early life and prophethood.
3. Explain with an example: Makkan opposition.
4. Write a short note on migration to Madina.

Homework

• Read Seerat-un-Nabi: Makki Life from the book and solve the exercise questions.
• Prepare short notes on birth and early life.

Time Allocation

4–6 periods of 40 minutes each

Unit 4: Seerat-un-Nabi: Madani Life

Learning Objectives

• Define and explain Madina charter in the context of Seerat-un-Nabi: Madani Life.
• Differentiate between battles and treaty of Hudaibiya with suitable examples.
• Solve conceptual problems related to conquest of Makkah accurately.
• Apply the ideas of Seerat-un-Nabi: Madani Life to everyday situations involving farewell sermon.

Key Concepts

• Meaning, definition and scope of Madina charter.
• Important properties, types and examples of battles.
• Relationship between treaty of Hudaibiya and conquest of Makkah.
• Practical applications of Seerat-un-Nabi: Madani Life, especially farewell sermon.
• Key terms and a summary of the main points of Seerat-un-Nabi: Madani Life.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Seerat-un-Nabi: Madani Life with a daily-life example.
2. Explain Madina charter on the board with definitions and clear diagrams.
3. Discuss battles and treaty of Hudaibiya using simple, relatable examples.
4. Involve the students through short questions on conquest of Makkah.
5. Solve an exercise question on farewell sermon together with the class.
6. Summarize the lesson and highlight the key points of Seerat-un-Nabi: Madani Life.

Classroom Activities

• Group discussion: students compare battles with treaty of Hudaibiya.
• Board activity: solve a question on conquest of Makkah in pairs.
• Quick quiz on the key terms of Seerat-un-Nabi: Madani Life.

Assessment Questions

1. Define Madina charter.
2. Differentiate between battles and treaty of Hudaibiya.
3. Explain with an example: conquest of Makkah.
4. Write a short note on farewell sermon.

Homework

• Read Seerat-un-Nabi: Madani Life from the book and solve the exercise questions.
• Prepare short notes on Madina charter and battles.

Time Allocation

4–6 periods of 40 minutes each

Unit 5: Pillars of Islam

Learning Objectives

• Define and explain Shahadah in the context of Pillars of Islam.
• Differentiate between Salah and Zakat with suitable examples.
• Solve conceptual problems related to fasting accurately.
• Apply the ideas of Pillars of Islam to everyday situations involving Hajj.

Key Concepts

• Meaning, definition and scope of Shahadah.
• Important properties, types and examples of Salah.
• Relationship between Zakat and fasting.
• Practical applications of Pillars of Islam, especially Hajj.
• Key terms and a summary of the main points of Pillars of Islam.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Pillars of Islam with a daily-life example.
2. Explain Shahadah on the board with definitions and clear diagrams.
3. Discuss Salah and Zakat using simple, relatable examples.
4. Involve the students through short questions on fasting.
5. Solve an exercise question on Hajj together with the class.
6. Summarize the lesson and highlight the key points of Pillars of Islam.

Classroom Activities

• Group discussion: students compare Salah with Zakat.
• Board activity: solve a question on fasting in pairs.
• Quick quiz on the key terms of Pillars of Islam.

Assessment Questions

1. Define Shahadah.
2. Differentiate between Salah and Zakat.
3. Explain with an example: fasting.
4. Write a short note on Hajj.

Homework

• Read Pillars of Islam from the book and solve the exercise questions.
• Prepare short notes on Shahadah and Salah.

Time Allocation

4–6 periods of 40 minutes each

Unit 6: Islamic Beliefs

Learning Objectives

• Define and explain Tawhid in the context of Islamic Beliefs.
• Differentiate between prophethood and angels with suitable examples.
• Solve conceptual problems related to revealed books accurately.
• Apply the ideas of Islamic Beliefs to everyday situations involving hereafter.

Key Concepts

• Meaning, definition and scope of Tawhid.
• Important properties, types and examples of prophethood.
• Relationship between angels and revealed books.
• Practical applications of Islamic Beliefs, especially hereafter.
• Key terms and a summary of the main points of Islamic Beliefs.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Islamic Beliefs with a daily-life example.
2. Explain Tawhid on the board with definitions and clear diagrams.
3. Discuss prophethood and angels using simple, relatable examples.
4. Involve the students through short questions on revealed books.
5. Solve an exercise question on hereafter together with the class.
6. Summarize the lesson and highlight the key points of Islamic Beliefs.

Classroom Activities

• Group discussion: students compare prophethood with angels.
• Board activity: solve a question on revealed books in pairs.
• Quick quiz on the key terms of Islamic Beliefs.

Assessment Questions

1. Define Tawhid.
2. Differentiate between prophethood and angels.
3. Explain with an example: revealed books.
4. Write a short note on hereafter.

Homework

• Read Islamic Beliefs from the book and solve the exercise questions.
• Prepare short notes on Tawhid and prophethood.

Time Allocation

4–6 periods of 40 minutes each

Unit 7: Islamic Social System

Learning Objectives

• Define and explain brotherhood in the context of Islamic Social System.
• Differentiate between equality and family system with suitable examples.
• Solve conceptual problems related to neighbors' rights accurately.
• Apply the ideas of Islamic Social System to everyday situations involving social justice.

Key Concepts

• Meaning, definition and scope of brotherhood.
• Important properties, types and examples of equality.
• Relationship between family system and neighbors' rights.
• Practical applications of Islamic Social System, especially social justice.
• Key terms and a summary of the main points of Islamic Social System.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Islamic Social System with a daily-life example.
2. Explain brotherhood on the board with definitions and clear diagrams.
3. Discuss equality and family system using simple, relatable examples.
4. Involve the students through short questions on neighbors' rights.
5. Solve an exercise question on social justice together with the class.
6. Summarize the lesson and highlight the key points of Islamic Social System.

Classroom Activities

• Group discussion: students compare equality with family system.
• Board activity: solve a question on neighbors' rights in pairs.
• Quick quiz on the key terms of Islamic Social System.

Assessment Questions

1. Define brotherhood.
2. Differentiate between equality and family system.
3. Explain with an example: neighbors' rights.
4. Write a short note on social justice.

Homework

• Read Islamic Social System from the book and solve the exercise questions.
• Prepare short notes on brotherhood and equality.

Time Allocation

4–6 periods of 40 minutes each

Unit 8: Rights and Duties

Learning Objectives

• Define and explain rights of Allah in the context of Rights and Duties.
• Differentiate between rights of people and parents' rights with suitable examples.
• Solve conceptual problems related to children's rights accurately.
• Apply the ideas of Rights and Duties to everyday situations involving duties.

Key Concepts

• Meaning, definition and scope of rights of Allah.
• Important properties, types and examples of rights of people.
• Relationship between parents' rights and children's rights.
• Practical applications of Rights and Duties, especially duties.
• Key terms and a summary of the main points of Rights and Duties.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Rights and Duties with a daily-life example.
2. Explain rights of Allah on the board with definitions and clear diagrams.
3. Discuss rights of people and parents' rights using simple, relatable examples.
4. Involve the students through short questions on children's rights.
5. Solve an exercise question on duties together with the class.
6. Summarize the lesson and highlight the key points of Rights and Duties.

Classroom Activities

• Group discussion: students compare rights of people with parents' rights.
• Board activity: solve a question on children's rights in pairs.
• Quick quiz on the key terms of Rights and Duties.

Assessment Questions

1. Define rights of Allah.
2. Differentiate between rights of people and parents' rights.
3. Explain with an example: children's rights.
4. Write a short note on duties.

Homework

• Read Rights and Duties from the book and solve the exercise questions.
• Prepare short notes on rights of Allah and rights of people.

Time Allocation

4–6 periods of 40 minutes each

Unit 9: Concept of Jihad

Learning Objectives

• Define and explain meaning of jihad in the context of Concept of Jihad.
• Differentiate between types and conditions with suitable examples.
• Solve conceptual problems related to misconceptions accurately.
• Apply the ideas of Concept of Jihad to everyday situations involving peace.

Key Concepts

• Meaning, definition and scope of meaning of jihad.
• Important properties, types and examples of types.
• Relationship between conditions and misconceptions.
• Practical applications of Concept of Jihad, especially peace.
• Key terms and a summary of the main points of Concept of Jihad.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Concept of Jihad with a daily-life example.
2. Explain meaning of jihad on the board with definitions and clear diagrams.
3. Discuss types and conditions using simple, relatable examples.
4. Involve the students through short questions on misconceptions.
5. Solve an exercise question on peace together with the class.
6. Summarize the lesson and highlight the key points of Concept of Jihad.

Classroom Activities

• Group discussion: students compare types with conditions.
• Board activity: solve a question on misconceptions in pairs.
• Quick quiz on the key terms of Concept of Jihad.

Assessment Questions

1. Define meaning of jihad.
2. Differentiate between types and conditions.
3. Explain with an example: misconceptions.
4. Write a short note on peace.

Homework

• Read Concept of Jihad from the book and solve the exercise questions.
• Prepare short notes on meaning of jihad and types.

Time Allocation

4–6 periods of 40 minutes each

Unit 10: Islamic Economic System

Learning Objectives

• Define and explain halal earning in the context of Islamic Economic System.
• Differentiate between prohibition of interest and Zakat system with suitable examples.
• Solve conceptual problems related to trade ethics accurately.
• Apply the ideas of Islamic Economic System to everyday situations involving charity.

Key Concepts

• Meaning, definition and scope of halal earning.
• Important properties, types and examples of prohibition of interest.
• Relationship between Zakat system and trade ethics.
• Practical applications of Islamic Economic System, especially charity.
• Key terms and a summary of the main points of Islamic Economic System.

Teaching Methodology (Step by Step)

1. Recap the previous lesson and introduce Islamic Economic System with a daily-life example.
2. Explain halal earning on the board with definitions and clear diagrams.
3. Discuss prohibition of interest and Zakat system using simple, relatable examples.
4. Involve the students through short questions on trade ethics.
5. Solve an exercise question on charity together with the class.
6. Summarize the lesson and highlight the key points of Islamic Economic System.

Classroom Activities

• Group discussion: students compare prohibition of interest with Zakat system.
• Board activity: solve a question on trade ethics in pairs.
• Quick quiz on the key terms of Islamic Economic System.

Assessment Questions

1. Define halal earning.
2. Differentiate between prohibition of interest and Zakat system.
3. Explain with an example: trade ethics.
4. Write a short note on charity.

Homework

• Read Islamic Economic System from the book and solve the exercise questions.
• Prepare short notes on halal earning and prohibition of interest.

Time Allocation

4–6 periods of 40 minutes each
