Lesson Planning

Complete Lesson Plan Book

Class: Class 4

Subject: Social Studies

Medium: English

Academic Year 2026-27

This book is prepared as a teaching guide for teachers.

Table of Contents

Unit 1: Provinces of Pakistan

Unit 2: Maps and Directions

Unit 3: Rivers and Mountains

Unit 4: Occupations

Unit 5: Transport and Communication

Unit 6: Festivals in Pakistan

Unit 7: Good Citizenship

DM

Unit 1: Provinces of Pakistan

Learning Objectives

• Name the four provinces of Pakistan.

• Locate provinces on a map.

• Name the capital of each province.

Key Concepts

• Punjab, Sindh, KPK and Balochistan are provinces.

• Lahore is the capital of Punjab.

• Karachi is the capital of Sindh.

• Peshawar and Quetta are capitals of KPK and Balochistan.

Teaching Methodology (Step by Step)

1. Show provinces on a wall map.
2. Pupils point to each province.
3. Teach capitals with a chant.
4. Match provinces with capitals.
5. Colour a map of Pakistan's provinces.

Classroom Activities

• Province puzzle map.

• Capital matching race.

Assessment Questions

1. Name the four provinces.
2. What is the capital of Punjab?
3. Which province has Quetta as capital?
4. Name the largest province by area.

Homework

• Draw a map of Pakistan; label provinces and capitals.

Time Allocation

4 periods of 35 minutes each.

DM

Unit 2: Maps and Directions

Learning Objectives

• Identify the four directions.

• Use a simple map to find places.

• Draw a simple map of the classroom.

Key Concepts

• North, south, east and west are directions.

• The sun rises in the east.

• Maps show places from above.

• A compass shows directions.

Teaching Methodology (Step by Step)

1. Face the rising sun: this is east.
2. Play direction games in the ground.
3. Read a simple school map together.
4. Pupils draw their classroom map.
5. Treasure hunt with directions.

Classroom Activities

• Treasure hunt using a map.

• Draw a map of your street.

Assessment Questions

1. Name the four directions.
2. Where does the sun rise?
3. What is east of your classroom?
4. Draw a simple map of your desk area.

Homework

• Draw a map of your home showing rooms.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 3: Rivers and Mountains

Learning Objectives

• Name two famous rivers of Pakistan.

• Name two famous mountain ranges.

• Tell why rivers and mountains are important.

Key Concepts

• The Indus is Pakistan's longest river.

• Rivers give water for farming and drinking.

• The Karakoram has K2, the second highest peak.

• Mountains give us fresh water and forests.

Teaching Methodology (Step by Step)

1. Trace rivers on a map with fingers.
2. Show mountain pictures.
3. Discuss: how do rivers help farmers?
4. Build a river valley with sand.
5. Quiz on rivers and mountains.

Classroom Activities

• Sand river model.

• Mountain peak height chart.

Assessment Questions

1. Name Pakistan's longest river.
2. Which mountain has K2?
3. Why are rivers important?
4. Name one thing mountains give us.

Homework

• Draw a river flowing from mountains to the sea.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 4: Occupations

Learning Objectives

• Name ten occupations.

• Tell what each worker does.

• Respect all kinds of work.

Key Concepts

• Farmers grow food; teachers teach.

• Doctors heal; engineers build.

• Shopkeepers sell things we need.

• All honest work deserves respect.

Teaching Methodology (Step by Step)

1. Picture cards: guess the occupation.
2. Invite a parent to talk about their job.
3. Role play different occupations.
4. Discuss: what do you want to become?
5. Make an occupations chart.

Classroom Activities

• When I grow up: draw your future job.

• Occupation interview with a family member.

Assessment Questions

1. Name five occupations.
2. What does a farmer do?
3. What do you want to become?
4. Why should we respect all workers?

Homework

• Draw two workers and write about their jobs.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 5: Transport and Communication

Learning Objectives

• Name means of transport: land, air, water.

• Name means of communication.

• Choose the right means for a journey or message.

Key Concepts

• Cars and trains run on land.

• Ships sail on water; planes fly in air.

• Letters, phones and internet carry messages.

• Fast transport connects far places.

Teaching Methodology (Step by Step)

1. Sort pictures: land, air, water transport.
2. Discuss: how do you come to school?
3. Show old vs new communication.
4. Role play: sending a letter vs a phone call.
5. Draw your favourite transport.

Classroom Activities

• Transport sorting race.

• Make a paper plane and fly it.

Assessment Questions

1. Name two land transports.
2. Name one water transport.
3. How is a phone faster than a letter?
4. Which transport would you take to another city?

Homework

• Draw three means of transport; label land, air, water.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 6: Festivals in Pakistan

Learning Objectives

• Name religious and cultural festivals.

• Tell how Eid is celebrated.

• Respect others' festivals.

Key Concepts

• Eid-ul-Fitr comes after Ramazan.

• Eid-ul-Adha remembers Ibrahim's sacrifice.

• Basant and Urs are cultural festivals.

• Festivals bring families together.

Teaching Methodology (Step by Step)

1. Discuss: how does your family celebrate Eid?
2. Show pictures of festivals.
3. Pupils share festival memories.
4. Make Eid cards.
5. Discuss respecting others' celebrations.

Classroom Activities

• Eid card making.

• Festival dress-up day.

Assessment Questions

1. Name two Eids.
2. When does Eid-ul-Fitr come?
3. Name one cultural festival.
4. How do you celebrate Eid?

Homework

• Draw your Eid celebration; write three sentences.

Time Allocation

3 periods of 35 minutes each.

DM

Unit 7: Good Citizenship

Learning Objectives

• Follow rules at home, school and in public.

• Keep surroundings clean.

• Help the country by being honest.

Key Concepts

• A good citizen obeys the law.

• We vote when we grow up.

• Paying taxes helps the country.

• Clean streets show good citizens.

Teaching Methodology (Step by Step)

1. Discuss: what makes a good citizen?
2. List class rules for good citizens.
3. Clean the school ground together.
4. Role play: helping an old person cross.
5. Pupils take a citizen's pledge.

Classroom Activities

• Citizen's pledge ceremony.

• Cleanliness drive in the neighbourhood.

Assessment Questions

1. Name two duties of a citizen.
2. What is a citizen's pledge?
3. How can pupils help Pakistan?
4. Name one rule good citizens follow.

Homework

• Write five promises of a good citizen.

Time Allocation

3 periods of 35 minutes each.
