Lesson Planning

Complete Lesson Plan Book

Class: Class 5

Subject: General Knowledge

Medium: English

Academic Year 2026-27

This book is prepared as a teaching guide for teachers.

Table of Contents

Unit 1: Pakistan: Facts and Figures

Unit 2: Continents and Oceans

Unit 3: Famous Personalities

Unit 4: Amazing Science Facts

Unit 5: Animals and Birds

Unit 6: Sports and Games

Unit 7: Islamic Knowledge

Unit 8: Our Country's Institutions

DM

Unit 1: Pakistan: Facts and Figures

Learning Objectives

• Students will be able to state the capital and currency of Pakistan.

• Students will be able to name the national symbols of Pakistan.

• Students will be able to state the population and area roughly.

Key Concepts

• Capital: Islamabad; currency: rupee.

• National flag: green and white with crescent and star.

• National anthem, national language: Urdu.

• Area: about 881,913 square kilometres.

Teaching Methodology (Step by Step)

1. Begin with a 5-minute warm-up: ask 2-3 oral questions revising the previous lesson and linking it to Pakistan: Facts and Figures.

2. Present the key ideas of Pakistan: Facts and Figures on the board with one clear example or a labelled diagram.

3. Explain each point slowly in simple words, asking a short check-question after every point.

4. Do guided practice: solve 3-4 examples of Pakistan: Facts and Figures together, inviting students to complete steps on the board.

5. Close with a 5-minute oral recap in which students state one new thing they learned about Pakistan: Facts and Figures.

Classroom Activities

• Fact cards: students match questions with fact answers in pairs.

• Flag draw: students draw the national flag with correct colours.

Assessment Questions

1. What is the capital of Pakistan?

2. Name two national symbols of Pakistan.

3. What is the currency of Pakistan?

Homework

• Write 10 facts about Pakistan in the notebook.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 2: Continents and Oceans

Learning Objectives

• Students will be able to name the seven continents.

• Students will be able to name the five oceans.

• Students will be able to locate Asia on a world map.

Key Concepts

• Seven continents: Asia, Africa, Europe, North and South America, Australia, Antarctica.

• Five oceans: Pacific, Atlantic, Indian, Arctic, Southern.

• Asia is the largest continent.

• Pakistan lies in Asia.

Teaching Methodology (Step by Step)

1. Start with rapid-fire mental revision: 5 quick questions from the last lesson connected to Continents and Oceans.

2. Demonstrate Continents and Oceans step by step on the board while students watch, listen and copy.

3. Move to guided practice: students attempt 2-3 similar items with the teacher's support.

4. Give independent practice: a short written task on Continents and Oceans completed individually in notebooks.

5. Check a few notebooks on the spot, correct common mistakes on the board and summarise Continents and Oceans.

Classroom Activities

• Continent puzzle: arrange continent pieces on a blank world map.

• Ocean song: learn the five oceans with a short rhyme.

Assessment Questions

1. Name the seven continents.

2. Name the five oceans.

3. Which is the largest continent?

Homework

• Draw a rough world map and label the continents.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.

Unit 3: Famous Personalities

Learning Objectives

• Students will be able to name five famous Pakistanis.

• Students will be able to state one achievement of each personality.

• Students will be able to name two world-famous personalities.

Key Concepts

• the founder of Pakistan, our national poet, a great social worker.

• A Pakistani scientist: Nobel Prize in Physics.

• A young education activist: Nobel Peace Prize.

• World: scientists, leaders and sports stars.

Teaching Methodology (Step by Step)

1. Open with a hook: a short story, riddle or real-life example that introduces Famous Personalities.

2. Lead a class discussion on Famous Personalities with 4-5 guiding questions; record key answers on the board.

3. Organise the main activity in pairs or small groups according to the plan for Famous Personalities.

4. Let groups share their work; add corrections and the important points of Famous Personalities.

5. Finish with a quick oral or written check on Famous Personalities and announce the homework.

Classroom Activities

• Personality match: match names with achievement cards.

• Guess who: one student describes; class names the personality.

Assessment Questions

1. Name five famous Pakistanis.

2. Which prize did a Pakistani scientist win in Physics?

3. Why are great social workers respected?

Homework

• Write 5 lines on one famous personality.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 4: Amazing Science Facts

Learning Objectives

• Students will be able to state five amazing science facts.

• Students will be able to explain one fact in simple words.

• Students will be able to show curiosity about science.

Key Concepts

• Water boils at 100 degrees Celsius.

• The heart beats about 100,000 times a day.

• Honey never spoils.

• Light from the sun takes 8 minutes to reach Earth.

Teaching Methodology (Step by Step)

1. Begin with 5 minutes of silent or loud reading connected to Amazing Science Facts.

2. Explain the new words and key ideas of Amazing Science Facts; write difficult words with meanings on the board.

3. Read the passage or examples of Amazing Science Facts together, with students taking turns.

4. Students complete a short written exercise on Amazing Science Facts in their notebooks.

5. Review the answers together, praise good work and give a brief summary of Amazing Science Facts.

Classroom Activities

• Fact or bluff: students guess if a science statement is true or false.

• Demo corner: teacher shows 2 simple science tricks.

Assessment Questions

1. At what temperature does water boil?

2. How many times does the heart beat in a day?

3. How long does sunlight take to reach Earth?

Homework

• Find 5 science facts from a book and write them.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.

Unit 5: Animals and Birds

Learning Objectives

• Students will be able to name ten animals and five birds.

• Students will be able to classify animals as wild and domestic.

• Students will be able to name the national animal and bird of Pakistan.

Key Concepts

• Wild animals: lion, tiger, elephant; domestic: cow, goat, hen.

• Birds: sparrow, parrot, peacock, eagle.

• National animal: markhor; national bird: chakor.

• Baby animals: calf, kitten, puppy.

Teaching Methodology (Step by Step)

1. Begin with a 5-minute warm-up: ask 2-3 oral questions revising the previous lesson and linking it to Animals and Birds.

2. Present the key ideas of Animals and Birds on the board with one clear example or a labelled diagram.

3. Explain each point slowly in simple words, asking a short check-question after every point.

4. Do guided practice: solve 3-4 examples of Animals and Birds together, inviting students to complete steps on the board.

5. Close with a 5-minute oral recap in which students state one new thing they learned about Animals and Birds.

Classroom Activities

• Animal sort: sort picture cards into wild and domestic.

• Sound game: students copy animal sounds; class names the animal.

Assessment Questions

1. Name five wild and five domestic animals.

2. What is the national animal of Pakistan?

3. Name the babies of cow and cat.

Homework

• Draw your favourite animal and write 5 lines about it.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 6: Sports and Games

Learning Objectives

• Students will be able to name five outdoor and three indoor games.

• Students will be able to state the national game of Pakistan.

• Students will be able to explain two benefits of sports.

Key Concepts

• Outdoor: cricket, football, hockey, kabaddi.

• Indoor: chess, carrom, ludo.

• National game: field hockey.

• Sports keep us healthy and teach teamwork.

Teaching Methodology (Step by Step)

1. Start with rapid-fire mental revision: 5 quick questions from the last lesson connected to Sports and Games.

2. Demonstrate Sports and Games step by step on the board while students watch, listen and copy.

3. Move to guided practice: students attempt 2-3 similar items with the teacher's support.

4. Give independent practice: a short written task on Sports and Games completed individually in notebooks.

5. Check a few notebooks on the spot, correct common mistakes on the board and summarise Sports and Games.

Classroom Activities

• Game demo: students show one rule of their favourite game.

• Sports quiz: rapid-fire questions on games and players.

Assessment Questions

1. Name five outdoor games.

2. What is the national game of Pakistan?

3. Name two benefits of playing sports.

Homework

• Write 8 lines on your favourite game.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.

Unit 7: Islamic Knowledge

Learning Objectives

• Students will be able to name the five pillars of Islam.

• Students will be able to name the four holy books.

• Students will be able to name the last prophet of Islam.

Key Concepts

• Five pillars: Kalima, Namaz, Roza, Zakat, Hajj.

• Holy books: Torah, Psalms, Gospel, Quran.

• Last prophet: Muhammad.

• The Quran was revealed in Arabic.

Teaching Methodology (Step by Step)

1. Open with a hook: a short story, riddle or real-life example that introduces Islamic Knowledge.

2. Lead a class discussion on Islamic Knowledge with 4-5 guiding questions; record key answers on the board.

3. Organise the main activity in pairs or small groups according to the plan for Islamic Knowledge.

4. Let groups share their work; add corrections and the important points of Islamic Knowledge.

5. Finish with a quick oral or written check on Islamic Knowledge and announce the homework.

Classroom Activities

• Pillar cards: arrange the five pillars in order.

• Quiz bowl: teams answer Islamic knowledge questions.

Assessment Questions

1. Name the five pillars of Islam.

2. Name the four holy books.

3. Who is the last prophet of Islam?

Homework

• Write the five pillars with one line about each.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 8: Our Country's Institutions

Learning Objectives

• Students will be able to name three important institutions of Pakistan.

• Students will be able to state the duty of the army, police and courts.

• Students will be able to show respect for national institutions.

Key Concepts

• Army: protects the borders.

• Police: keeps law and order in cities.

• Courts: give justice to people.

• Schools and hospitals serve the nation.

Teaching Methodology (Step by Step)

1. Begin with 5 minutes of silent or loud reading connected to Our Country's Institutions.

2. Explain the new words and key ideas of Our Country's Institutions; write difficult words with meanings on the board.

3. Read the passage or examples of Our Country's Institutions together, with students taking turns.

4. Students complete a short written exercise on Our Country's Institutions in their notebooks.

5. Review the answers together, praise good work and give a brief summary of Our Country's Institutions.

Classroom Activities

• Duty match: match each institution with its duty card.

• Thank you cards: students make cards for one institution.

Assessment Questions

1. Name three institutions of Pakistan.

2. What is the duty of the police?

3. Who gives justice to people?

Homework

• Write 5 lines on why we should respect our institutions.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.
