Lesson Planning

Complete Lesson Plan Book

Class: Class 5

Subject: Social Studies

Medium: English

Academic Year 2026-27

This book is prepared as a teaching guide for teachers.

Table of Contents

Unit 1: Pakistan: Provinces and Capitals

Unit 2: Maps and the Globe

Unit 3: Climate and Seasons of Pakistan

Unit 4: Natural Resources

Unit 5: Culture and Festivals

Unit 6: Transport and Communication

Unit 7: Local Government

Unit 8: National Heroes of Pakistan

DM

Unit 1: Pakistan: Provinces and Capitals

Learning Objectives

• Students will be able to name the four provinces of Pakistan.

• Students will be able to name each provincial capital.

• Students will be able to locate the provinces on a map of Pakistan.

Key Concepts

• Four provinces: Punjab, Sindh, Khyber Pakhtunkhwa, Balochistan.

• Capitals: Lahore, Karachi, Peshawar, Quetta.

• Federal capital: Islamabad; Gilgit-Baltistan and Azad Kashmir.

• Neighbours: India, China, Iran, Afghanistan.

Teaching Methodology (Step by Step)

1. Begin with a 5-minute warm-up: ask 2-3 oral questions revising the previous lesson and linking it to Pakistan: Provinces and Capitals.

2. Present the key ideas of Pakistan: Provinces and Capitals on the board with one clear example or a labelled diagram.

3. Explain each point slowly in simple words, asking a short check-question after every point.

4. Do guided practice: solve 3-4 examples of Pakistan: Provinces and Capitals together, inviting students to complete steps on the board.

5. Close with a 5-minute oral recap in which students state one new thing they learned about Pakistan: Provinces and Capitals.

Classroom Activities

• Map labelling: students label provinces and capitals on blank maps.

• Capital quiz: rapid-fire questions on provinces and capitals.

Assessment Questions

1. Name the four provinces of Pakistan.

2. What is the capital of Balochistan?

3. Which country lies to the east of Pakistan?

Homework

• Draw the map of Pakistan and label provinces and capitals.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 2: Maps and the Globe

Learning Objectives

• Students will be able to define a map and a globe.

• Students will be able to identify the directions on a map.

• Students will be able to read simple map symbols.

Key Concepts

• Map: flat drawing of an area; globe: round model of Earth.

• Four directions: north, south, east, west.

• Map symbols: legend or key explains signs.

• Scale: small distance on map = large distance on land.

Teaching Methodology (Step by Step)

1. Start with rapid-fire mental revision: 5 quick questions from the last lesson connected to Maps and the Globe.

2. Demonstrate Maps and the Globe step by step on the board while students watch, listen and copy.

3. Move to guided practice: students attempt 2-3 similar items with the teacher's support.

4. Give independent practice: a short written task on Maps and the Globe completed individually in notebooks.

5. Check a few notebooks on the spot, correct common mistakes on the board and summarise Maps and the Globe.

Classroom Activities

• Direction walk: students follow north-south-east-west instructions in the ground.

• Symbol hunt: students find 6 symbols on a wall map using its legend.

Assessment Questions

1. What is the difference between a map and a globe?

2. Name the four directions.

3. What does the legend of a map tell us?

Homework

• Draw a map of your classroom showing the door, windows and your desk.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.

Unit 3: Climate and Seasons of Pakistan

Learning Objectives

• Students will be able to name the four seasons.

• Students will be able to describe the climate of plain and mountain areas.

• Students will be able to explain how seasons affect our life.

Key Concepts

• Four seasons: spring, summer, autumn, winter.

• Plains: hot summers, cold winters; mountains: snowy winters.

• Monsoon rains in summer.

• Seasons affect crops, clothes and festivals.

Teaching Methodology (Step by Step)

1. Open with a hook: a short story, riddle or real-life example that introduces Climate and Seasons of Pakistan.

2. Lead a class discussion on Climate and Seasons of Pakistan with 4-5 guiding questions; record key answers on the board.

3. Organise the main activity in pairs or small groups according to the plan for Climate and Seasons of Pakistan.

4. Let groups share their work; add corrections and the important points of Climate and Seasons of Pakistan.

5. Finish with a quick oral or written check on Climate and Seasons of Pakistan and announce the homework.

Classroom Activities

• Season wheel: students make a wheel showing the four seasons and clothes.

• Weather diary: record the weather for one week in a table.

Assessment Questions

1. Name the four seasons.

2. How is the climate of mountains different from plains?

3. Name one crop of winter and one of summer.

Homework

• Write 5 lines on your favourite season and why you like it.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 4: Natural Resources

Learning Objectives

• Students will be able to define natural resources.

• Students will be able to name water, soil, forests and mineral resources.

• Students will be able to explain why we must save resources.

Key Concepts

• Natural resources: gifts of nature we use.

• Water: rivers, lakes, rain; soil for farming.

• Forests: wood, clean air, animal homes.

• Minerals: coal, gas, salt from Khewra.

Teaching Methodology (Step by Step)

1. Begin with 5 minutes of silent or loud reading connected to Natural Resources.

2. Explain the new words and key ideas of Natural Resources; write difficult words with meanings on the board.

3. Read the passage or examples of Natural Resources together, with students taking turns.

4. Students complete a short written exercise on Natural Resources in their notebooks.

5. Review the answers together, praise good work and give a brief summary of Natural Resources.

Classroom Activities

• Resource sort: classify 12 picture cards into renewable and non-renewable.

• Save water pledge: students list 5 ways to save water at home.

Assessment Questions

1. What are natural resources? Give two examples.

2. Name two minerals found in Pakistan.

3. Why should we save water?

Homework

• List 5 ways your family can save electricity and water.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.

Unit 5: Culture and Festivals

Learning Objectives

• Students will be able to describe Pakistani culture simply.

• Students will be able to name two festivals of each province.

• Students will be able to show respect for all cultures.

Key Concepts

• Culture: dress, food, language, customs.

• Eid-ul-Fitr and Eid-ul-Azha: national religious festivals.

• Basant, Lok Mela, Shandur polo festival.

• Respecting the culture of others.

Teaching Methodology (Step by Step)

1. Begin with a 5-minute warm-up: ask 2-3 oral questions revising the previous lesson and linking it to Culture and Festivals.

2. Present the key ideas of Culture and Festivals on the board with one clear example or a labelled diagram.

3. Explain each point slowly in simple words, asking a short check-question after every point.

4. Do guided practice: solve 3-4 examples of Culture and Festivals together, inviting students to complete steps on the board.

5. Close with a 5-minute oral recap in which students state one new thing they learned about Culture and Festivals.

Classroom Activities

• Festival calendar: groups make a calendar of Pakistani festivals.

• Dress show: students describe one regional dress in 3 lines.

Assessment Questions

1. Name two national festivals of Pakistan.

2. Name one festival of Punjab and one of Sindh.

3. Why should we respect other cultures?

Homework

• Draw and colour one regional dress of Pakistan.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 6: Transport and Communication

Learning Objectives

• Students will be able to name land, air and water transport.

• Students will be able to name modern means of communication.

• Students will be able to explain the importance of roads.

Key Concepts

• Land: bus, train, truck; air: aeroplane; water: ship, boat.

• Communication: letter, telephone, mobile, internet.

• Roads connect villages to cities and markets.

• Motorway and railway in Pakistan.

Teaching Methodology (Step by Step)

1. Start with rapid-fire mental revision: 5 quick questions from the last lesson connected to Transport and Communication.

2. Demonstrate Transport and Communication step by step on the board while students watch, listen and copy.

3. Move to guided practice: students attempt 2-3 similar items with the teacher's support.

4. Give independent practice: a short written task on Transport and Communication completed individually in notebooks.

5. Check a few notebooks on the spot, correct common mistakes on the board and summarise Transport and Communication.

Classroom Activities

• Transport sort: sort picture cards into land, air and water groups.

• Message relay: pass a message by speaking, writing and drawing; compare speed.

Assessment Questions

1. Name two means of land transport and two of air transport.

2. Name three modern means of communication.

3. Why are roads important for farmers?

Homework

• Write 5 lines on a journey you made by bus or train.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.

Unit 7: Local Government

Learning Objectives

• Students will be able to explain what local government is.

• Students will be able to name the head of a union council.

• Students will be able to list three duties of local government.

Key Concepts

• Local government: runs the affairs of a small area.

• Union council: chairman and councillors.

• Duties: clean streets, street lights, water supply.

• People elect local representatives.

Teaching Methodology (Step by Step)

1. Open with a hook: a short story, riddle or real-life example that introduces Local Government.

2. Lead a class discussion on Local Government with 4-5 guiding questions; record key answers on the board.

3. Organise the main activity in pairs or small groups according to the plan for Local Government.

4. Let groups share their work; add corrections and the important points of Local Government.

5. Finish with a quick oral or written check on Local Government and announce the homework.

Classroom Activities

• Council role play: students act as chairman and councillors solving a street problem.

• My area list: students list 3 problems of their street and who should fix them.

Assessment Questions

1. What is local government?

2. Who heads a union council?

3. Name three duties of local government.

Homework

• Write 5 lines on how your street can be kept clean.

Time Allocation

Two periods (80 minutes): 10 min warm-up and revision, 25 min concept presentation, 25 min guided and independent practice, 15 min activity and assessment, 5 min closure and homework.

Unit 8: National Heroes of Pakistan

Learning Objectives

• Students will be able to name five national heroes.

• Students will be able to state one achievement of each hero.

• Students will be able to explain why we remember heroes.

Key Concepts

• the founder of Pakistan: founder of Pakistan.

• Our national poet: dream of Pakistan.

• Great leaders of the Pakistan movement: nation builders.

• a great Muslim educationist and reformer, a Pakistani scientist: education and science.

Teaching Methodology (Step by Step)

1. Begin with 5 minutes of silent or loud reading connected to National Heroes of Pakistan.

2. Explain the new words and key ideas of National Heroes of Pakistan; write difficult words with meanings on the board.

3. Read the passage or examples of National Heroes of Pakistan together, with students taking turns.

4. Students complete a short written exercise on National Heroes of Pakistan in their notebooks.

5. Review the answers together, praise good work and give a brief summary of National Heroes of Pakistan.

Classroom Activities

• Hero cards: match each hero with his or her achievement.

• Speech: one student speaks 5 lines on the founder of Pakistan.

Assessment Questions

1. Name five national heroes of Pakistan.

2. What was the dream of our national poet?

3. Why is the founder of Pakistan given this title?

Homework

• Write 8 lines on your favourite national hero.

Time Allocation

Two periods (80 minutes): 10 min revision, 20 min explanation with examples, 30 min practice and class activity, 15 min oral and written check, 5 min homework briefing.
